THE MOST HOLY BODY AND BLOOD OF CHRIST

BLESSINGS

Then taking the five loaves and the two fish, and looking up to heaven, he said the blessing over them, broke them, and gave them to the disciples to set before the crowd. - Lk 9:16

70th Anniversary Organ Refurbishing

Consider a donation in memory of a loved one!

Since January, our 70-year-old Pipe Organ has been undergoing a major refurbishing and renovation by the Peragallo Organ Co. The pipes and all its parts were removed from the loft and cleaned and updated and then reinstalled. The reinstallation is complete. Once the full inspection is finished we will have a dedication for all those who contributed to its restoration.

If you would like to make a gift toward the \$200,000 restoration, please contact Fr. Ed.

Families might want to use this opportunity to memorialize a deceased loved one. This magnificent pipe organ will be a key part of weddings, funerals and Sunday Masses for the next 70 years.

Eucharistic Miracles at St. Elizabeth

June 18 & 19

On June 18 & 19 our parish will host the International Exhibition: The Eucharistic Miracles of the World in the lower Church after all the Masses. The Exhibition gives witness to many of the Church approved Eucharistic miracles - confirming Our Lord's True presence in the Blessed Sacrament. It also serves to reawaken faith in His Presence as well as educate those who may not be aware of what our Church teaches.

The Exhibition is appropriate for all ages. It was begun by "God's Servant," Carlos Acutis (1991-2006) who conceived the idea after his first Holy Communion and who died at the age of 15 from leukemia. You can read more about the Exhibition, his story and see a 45-minute video for children on the web site miracolieucaaristici.org. (You can also Google images of how the Exhibit appears in a number of different settings: Vatican Eucharistic Miracles Exhibition.)

Gospel Meditations

Most Holy Trinity June 12, 2022

In creative celebration of the Most Holy Trinity, pray a rosary with creation. Find a quiet place outside or sit near a window. Contemplate the amazing Divine Gift that is before you. Admire it. Study it. Become one with it. Ask for the guidance of Brother St. Francis as you pray: *"You, Holy Father, are King of heaven and earth. You are three in one, God above all gods. You are good, all good, and supreme good, Lord God, living and true. You are love. You are beauty. You are gentleness. You are joy. You are hope and happiness."* Admire the wonder and majesty of God in all that is around you. Ask for wisdom and understanding.

Begin each decade with the Our Father and conclude with the Glory Be.

Decade one: Contemplate God the Father. As you pray each bead with a Hail Mary, get lost in the grandeur of all that you see. Imagine the thousands and thousands of years of history that is before you. Envision a time when nothing existed. What is nothing? Lift your eyes, heart, and soul to the power and magnificence of the universe, its expanse and its endlessness. You are one with it all. God's creative power.

Decade two: Contemplate God the Son. Behold the squirrels, birds, and critters all conducting life's business. They have heartbeats just like yours. Praying each bead, become one with the incarnate divine life that flows through you and flows with the smallest of creatures. It is holy innocence and blessed life. Tenderness. Compassion, Mercy. Reverence. All want to be held, have a home, and be loved. God in all things. Emmanuel.

Decade three: Contemplate God the Holy Spirit. The changing of times and seasons happens often without notice. It is all within God's care and guided. We all belong. Behold the living, dying, and rising to new life. You are one with all time from beginning into eternity.

Decade Four: Contemplate God as One.

Decade Five: Contemplate God as three. All different while remaining one. The divine dance is being danced before you. Rest in what you see. Become what you see. We are all connected: God of the Holy Trinity, creation, our brothers and sisters, the animals, and the plants.

The rosary you have prayed celebrates the circle of connectedness and the intimate relationship we share with all things: a glimpse of the Trinity.

Most Holy Trinity June 19, 2022

Jesus went to those most in need. He forgave the sinner, ate with the outcast, defended, and fed those who were poor and hungry. He worked for true justice, risked being unpopular, willingly accepted suffering and death, and always stayed connected with his Abba, Father. Jesus also consistently reminded folks that God's compassion, love, and mercy trump everything, even the law. This is the Christ that the Eucharist calls us to be. As we look around our churches, our towns and cities, and our world, there are many people who need to see the face and body of Christ. Some of those most in need may be right within our families. But it is always in the poorest of the poor and those most vulnerable that we find the greatest need. There are many who cannot function on their own. When the gift of the Eucharistic Christ takes root in our hearts, we can more readily see the face of Christ in others.

Many people are vulnerable. Highest on that list are the homeless. They show us the face of Christ. Whatever the cause, to have no place to go and no place to call home takes a toll on the human spirit. For Jesus when there were hungry people, they were fed. God asks us to do the same ... feed people. There are many who are hungry physically, emotionally, and spiritually. Gifted by the Eucharistic presence of Christ, we can bring them Christ. Who are the hungry around us and how can we feed them?

When someone is hurting, you comfort them. When someone is hungry, you feed them. When someone needs clothes, you provide them. When someone is cold, you warm them. When someone is in prison, you visit them. With over a million people who are homeless and over a quarter of them children, it is important to ask the question, "why?" and strategize for ways to lessen or alleviate the problem. Nevertheless, we are not off the hook for responding to the immediate needs that present themselves at our doors. Whether a person's current station in life is self-imposed or the result of being victimized, they are sacred vessels. We cannot lock the door and send them away and still believe we bear the Eucharistic presence of Christ. It doesn't work like that.
