The Baptism of the Lord

We need history. We need it in order to understand ourselves, personally and collectively. The pieces of our histories may not have always been the most positive, honest, exemplary, dignified, proud and best moments of our lives, but they are ours. We have to acknowledge, remember, accept, and often heal them. We cannot forget them or pretend that they never existed. As horrible as the atrocities of events like Auschwitz, brutal injustices committed throughout the human journey, or personal painful experiences in our own stories, we need to remember. These times when humanity in general or people in particular have lost their way are times that need to be reconciled and redeemed. If we lose the memories, we will make the same mistakes again. The human soul needs a strong sense of affirmation, direction, and clear purpose. Without these essentials, we will easily run amuck and repeat the sins of our past. God’s voice throughout history has spoken precisely about this! We are reminded through the voices and example of many prophets and witnesses not to make the same mistakes again, come back to center, discover the purpose given to us by God, maintain a sense of proper direction, seek healing for wounds and be reconciled to our Creator. Baptism is so incredibly important for the salvation of humankind, not only eternally but here and now. Our existence depends upon it. It gives us the affirmation we need from God by gifting us with the same intimate relationship Jesus had with the Father. We are blessed with the direction and clear purpose we need in order to be productive stewards and faithful Christians. Baptism calls us to remember, accept, and deal with the sins and inequities of our past regardless of how hurtful and serious. We consciously choose to turn away from them and put on the new life of Christ. To do this well, we must look hard and long at our sins and failings, listen to what they are saying and learn from them. If we ignore the past, collectively or personally, or pretend that it never happened, we will never grow. We will surely die.

It enables 25 Diocesan agencies to operate in our diocese from Plattsburgh to Watertown. Gouverneur, Canton, Potsdam, Ogdensburg, Massena, Malone, Lake Placid, Saranac Lake, Tupper Lake, and Lowville. We are a big Diocese. The Diocesan education department alone supports the Lay Ministry program, Religious Education, Catholic Schools, Deacon Formation, education of seminarians and Priests are just one area the Bishops Fund supports. Please consider giving a gift at Christmas time.

THANKFUL PASTOR!

Thanks to everyone who helped to make this a nice Christmas this year. The ushers at each Mass who seat people, the church cleaners in both churches play a very special role during covid times. Lectors and people who bring communion to those who can't be with us, thank you. Parishioners who continue to support each parish during this time, thank you! Musicians who sing and play at Mass, thank you! The folks who decorated both churches so nicely, thank you! It is a pleasure to be your Pastor. We pray hard for a hope filled New Year!

ENVIRONMENTAL STEWARDSHIP

Did you know that each January 1 is World Day of Peace, when the pope sends his message to all foreign ministers around the world? Pope Francis' message this year is titled, A CULTURE OF CARE AS A PATH TO PEACE. A culture of care as a way to combat the culture of indifference, waste and confrontation so prevalent in our time. As a vital part of the Church, what creative act can I do in my family, my parish, my workplace, in "our common home" that will foster a more peace-filled place to live and foster a culture of care?

RESPECT LIFE SECOND COLLECTION: January 23/24, 2021

The Respect Life Second Collection is held in parishes each January, near the anniversary of the Supreme Court Roe v. Wade decision which legalized abortion in our nation. In 2021, this collection will be held the weekend of January 23/24. Grants from the collection benefit pro-life projects in our diocese. Thank you for your support of efforts to build a culture of life.
