

And He went down with them and came to Nazareth,  
and was obedient to them;  
and his mother kept all these things in her heart.  
And Jesus advanced in wisdom and age and favor  
before God and man. Lk 2, 51-52

### Saint Charles Parish Needs You and You Need Saint Charles Parish!

By registering at a parish, you are declaring your desire to be part of a Catholic faith community. If you have recently moved to the area or if you are a long-time resident, please consider registering at the parish where you participate. There's usually information in a parish bulletin or in the pew racks about how to register. When in doubt, ask a priest after Mass. In most cases, you will need to visit the parish office and fill out a simple form or register online.

#### Top Reasons to Register at a Parish

- A sense of belonging and identity in a parish community.
- It is a commitment to practice your faith.
- Registration enables the parish pastor and staff to get to know you better, to welcome you and to minister to you. This is especially important during a time of crisis so that the pastoral staff can attend to your spiritual needs and the needs of your family.
- Registration helps you stay connected with your parish and helps your parish stay connected with you. Providing your contact information is important so that parishes provide you timely updates via email, direct mail, phone, etc. Also, if you use offertory envelopes or online giving, you will also receive a year-end statement of your donations for income tax purposes. Once you are registered, please notify the parish office of any changes in address or phone number.
- Registered active members are eligible for sponsor/godparent validation.
- Registered active members are sometimes eligible to rent parish facilities.
- Census numbers may determine how many priests are assigned to a parish and how many Masses and enrichment programs are planned and scheduled.

## From the Pastor's Desk

Dear brothers and sisters, Throughout the next few weeks, I will be inviting you to read and reflect on different letters and homilies from various saints. It is important as Catholics that our church know the life and thoughts of the Saints, since we are called to be saints. We will find in them a lot of wisdom and knowledge, but they will also be of great consolation to us.

Today I invite you to reflect on this paragraph from an address by Saint Paul VI, pope

(Nazareth, January 5, 1964)

In Christ,

Father Abelardo

Pastor

**From an address by Saint Paul VI, pope**

(Nazareth, January 5, 1964)

*Nazareth, a model*

Nazareth is a kind of school where we may begin to discover what Christ's life was like and even to understand his Gospel. Here we can observe and ponder the simple appeal of the way God's Son came to be known, profound yet full of hidden meaning. And gradually we may even learn to imitate him. Here we can learn to realize who Christ really is. And here we can sense and take account of the conditions and circumstances that surrounded and affected his life on earth: the places, the tenor of the times, the culture, the language, religious customs, in brief, everything which Jesus used to make himself known to the world. Here everything speaks to us, everything has meaning. Here we can learn the importance of spiritual discipline for all who wish to follow Christ and to live by the teachings of his Gospel. How I would like to return to my childhood and attend the simple yet profound school that is Nazareth! How wonderful to be close to Mary, learning again the lesson of the true meaning of life, learning again God's truths. But here we are only on pilgrimage. Time presses and I must set aside my desire to stay and carry on my education in the Gospel, for that education is never finished. But I cannot leave without recalling, briefly and in passing; some thoughts I take with me from Nazareth. First, we learn from its silence. If only we could once again appreciate its great value. We need this wonderful state of mind, beset as we are by the cacophony of strident protests and conflicting claims so characteristic of these turbulent times. The silence of Nazareth should teach us how to meditate in peace and quiet, to reflect on the deeply spiritual, and to be open to the voice of God's inner wisdom and the counsel of his true teachers. Nazareth can teach us the value of study and preparation, of meditation, of a well-ordered personal spiritual life, and of silent prayer that is known only to God. Second, we learn about family life. May Nazareth serve as a model of what the family should be. May it show us the family's holy and enduring character and exemplify its basic function in society: a community of love and sharing, beautiful for the problems it poses and the rewards it brings, in sum, the perfect setting for rearing children and for this there is no substitute. Finally, in Nazareth, the home of a craftsman's son, we learn about work and the discipline it entails. I would especially like to recognize its value demanding yet redeeming and to give it proper respect. I would remind everyone that work has its own dignity. On the other hand, it is not an end in itself. Its value and free character, however, derive not only from its place in the economic system, as they say, but rather from the purpose it serves. In closing, may I express my deep regard for people everywhere who work for a living. To them I would point out their great model, Christ their brother, our Lord and God, who is their prophet in every cause that promotes their well-being.

The ministry of Ladies Praying among us celebrated their 9th year anniversary on Saturday, December 11th, 2021. This time has been such a blessing for the women of our parish community.

## De la oficina del Párroco

Queridos hermanos y hermanas,

A través de las próximas semanas, los estare invitando a leer y reflexionar sobre diferentes, cartas y homilías de varios santos. Es importante como católicos que conozcamos nuestra iglesia la vida y los pensamientos de los Santos, ya que nosotros estamos llamados a ser santos. Encontraremos en ellos mucha sabiduría y conocimiento, pero también serán de mucha consolación para nosotros.

Hoy Los invito a reflexionar en este párrafo De las alocuciones del papa Pablo sexto

(Alocución en Nazaret, 5 de enero de 1964)

En Cristo,

Padre Abelardo

Pastor

De las alocuciones del papa Pablo sexto

(Alocución en Nazaret, 5 de enero de 1964)

### EL EJEMPLO DE NAZARET

Nazaret es la escuela donde empieza a entenderse la vida de Jesús, es la escuela donde se inicia el conocimiento de su Evangelio. Aquí aprendemos a observar, a escuchar, a meditar, a penetrar en el sentido profundo y misterioso de esta sencilla, humilde y encantadora manifestación del Hijo de Dios entre los hombres. Aquí se aprende incluso, quizá de una manera casi insensible, a imitar esta vida. Aquí se nos revela el método que nos hará descubrir quién es Cristo. Aquí comprendemos la importancia que tiene el ambiente que rodeó su vida durante su estancia entre nosotros, y lo necesario que es el conocimiento de los lugares, los tiempos, las costumbres, el lenguaje, las prácticas religiosas, en una palabra, de todo aquello de lo que Jesús se sirvió para revelarse al mundo. Aquí todo habla, todo tiene un sentido. Aquí, en esta escuela, comprendemos la necesidad de una disciplina espiritual si queremos seguir las enseñanzas del Evangelio y ser discípulos de Cristo. ¡Cómo quisiéramos ser otra vez niños y volver a esta humilde pero sublime escuela de Nazaret! ¡Cómo quisiéramos volver a empezar, junto a María, nuestra iniciación a la verdadera ciencia de la vida y a la más alta sabiduría de la verdad divina! Pero estamos aquí como peregrinos y debemos renunciar al deseo de continuar en esta casa el estudio, nunca terminado, del conocimiento del Evangelio. Mas no partiremos de aquí sin recoger rápida, casi furtivamente, algunas enseñanzas de la lección de Nazaret. Su primera lección es el silencio. Cómo deseáramos que se renovara y fortaleciera en nosotros el amor al silencio, este admirable e indispensable hábito del espíritu, tan necesario para nosotros, que estamos aturdidos por tanto ruido, tanto tumulto, tantas voces de nuestra ruidosa y en extremo agitada vida moderna. Silencio de Nazaret enséñanos el recogimiento y la interioridad, enséñanos a estar siempre dispuestos a escuchar las buenas inspiraciones y la doctrina de los verdaderos maestros. Enséñanos la necesidad y el valor de una conveniente formación del estudio, de la meditación, de una vida interior intensa de la oración personal que sólo Dios ve. Se nos ofrece además una lección de vida familiar. Que Nazaret nos enseñe el significado de la familia, su comunión de amor, su sencilla y austera belleza, su carácter sagrado e inviolable, lo dulce e irremplazable que es su pedagogía y lo fundamental e incomparable que es su función en el plano social. Finalmente, aquí aprendemos también la lección del trabajo. Nazaret, la casa del hijo del artesano: cómo deseamos comprender más en este lugar la austera pero

Imagine Jesus goes to your church today. After church, Mary and Joseph find him on the altar telling stories from the Old Testament to the priests and the Sunday School teachers. Mary and Joseph would be amazed. They would want Jesus to come home. Jesus would want Jesus to come home. Jesus would love his parents so much that he would go home with them. He will stay with them until he grows older, wiser, and stronger.
