## **EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

My wife has a hope chest filled with items from her past. Some memories contained in there are joyous, while others are painful and filled with sorrow. However, all those memories helped to make her the person she is today. They have become a part of her very being.

Traditionally, a hope chest contained linens and clothing for a woman's wedding day. It was a chest filled with the hope for the future. As time goes by, many of our hopes are fulfilled. However, life never goes exactly as planned. Some hopes are dashed by unfortunate circumstances or bad choices we have made.

Our hearts are like hope chests that long for the day when we are joined for eternity with our God. Along the way, our chest may accumulate additional items that we collect on our life's journey. If we are gracious and generous along the way, our chest will fill with fruit to abundance. If we live more with a focus on ourselves, we will find our hope chests nearly barren. We will, in fact, lose hope. May the hope chest of your heart be overflowing with love that you have freely given and that has come back to you tenfold. May your generosity provide hope for the hopeless, and may your hope always remain strong.

### **LA CORRESPONSABILIDAD DIARIA - RECONOCER A DIOS EN LOS MOMENTOS ORDINARIOS**

### **LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

Jesus' teaching is hard and challenging. In fact, many who originally believed in him left and returned to their former way of life. They were not able to accept what he had to say or to make the changes that are necessary to conform their lives to the Gospel. We often water down our faith and make it more about securing our place in heaven than leading a life in pursuit of the kingdom of God. Following Jesus and living the Gospel require action now. The Gospel demands that we change the way we conduct the business of our lives. Sadly, many are still afraid of taking risks and cannot accept change. Are we really ready to venture forth into the unknown, or would we prefer to simply return to our old ways of doing things?

### **VIVIR LA LITURGIA - INSPIRACIÓN DE LA SEMANA**

Las enseñanzas de Jesús pueden ser difíciles de entender. De hecho, muchos de los que primero creían en Él, se alejaron y volvieron a sus formas de vida seculares. No estaban listos para aceptar el mensaje de Cristo o hacer los cambios necesarios para que sus vidas sean congruentes con el Evangelio. Muchas veces no es fuerte en su fe y una la considera más en términos de asegurar su lugar en el cielo en vez de vivir una vida en búsqueda del reino de Dios. Seguir a Jesús y vivir el Evangelio requiere acción ahora mismo. El Evangelio exige que uno cambie la manera en que conduce los negocios en su vida. Desafortunadamente, muchos tienen miedo de tomar riesgos y no pueden aceptar un cambio verdadero. ¿Usted está verdaderamente listo para arriesgarse a lo desconocido, o prefiere regresar a sus hábitos viejos?
