## *Blessed Carlo Acutis*

Carlo, like many adolescents of our time was busy at school, with his friends, and for his young age was an expert in computers. In the midst of all his commitments, he encountered Jesus Christ. Carlo Acutis became a witness to the Risen Christ. He entrusted himself to the Virgin Mary. Carlo lived a life of grace and shared his overwhelming experience of God with his peers.

He received the Eucharist every day. He attended Holy Mass devoutly daily and would pause for hours in adoration before the Blessed Sacrament. His experience and Christian maturity testify to the truth of Benedict XVI's words in the Apostolic Exhortation *Sacramentum Caritatis*: the sacrifice of the Mass and Eucharistic Adoration strengthen, support, develop love of Jesus and the availability to ecclesial service.

Carlo also nourished a special devotion to Our Lady, to whom he faithfully recited the Rosary. Feeling her motherly love, he offered her acts of mortification. This teenager sociologically similar to his schoolmates was an authentic witness that the Gospel can be lived fully even by a teenager.

In his short life, oriented to that encounter with Jesus, was like a light not only to shine on the path of those who knew him, but also of those who will come to know his story. I am sure that this first biography of Carlo Acutis, edited by Nicola Gori, with his well known ability to involve the reader, will help today's adolescents, so problematic and so conditioned by the Mass Media, to reflect on the meaning of life and on the Gospel values to realize it fully.

Looking at this teenager as their peers, who felt attracted by Christ's friendship, and for this very reason experienced a truer joy, our children will be put in touch with a life experience that has not taken anything away from the wealth of young teenage years, but has enhanced them even more.

Carlo's witness to the Gospel is not only an incentive for today's adolescents, but it also helps parish priests and teachers to question themselves about the value of the formation they give to young people of our parish communities and how to make this formation effective and incisive.

-- *Cardinal Angelo Comastri*
