Over the coming months, Catholics from around the world will be participating in the Synod on Synodality. What does that mean?

Here in Boston it means that we will be gathering, as parishes and as a diocese to pray together and to invite the Holy Spirit to help us to listen deeply to one another, and we will talk together about how best to do that. The link for doing the survey is: <https://forms.office.com/r/aPadVsPft9>.

A Letter from the Pastor about Mass Times

Dear Parishioners,

In light of clergy staffing concerns, fiscal realities, and knowing that relying on outside clergy from Stonehill College is not a realistic plan for the future, we have had to take a look at the Tri-Parish Mass schedule. Our friends from Stonehill will certainly continue to be most welcome here, but all of them already have full time ministry commitments, and we thank them best by not presuming on their generosity.

After a broad consultation throughout Advent, several meetings with staff and clergy, and seeking input from key volunteers, we have established a new schedule. This new schedule has complementary Mass times throughout Saturday and Sunday for increased convenience for parishioners. We are also going down to one daily Mass.

There have been several changes to the Mass schedule over the past 3-5 years, especially in response to COVID. I appreciate your understanding, patience, and commitment to our parishes and our Faith.

The schedule will be effective **Monday, January 17th**.

May God bless you all.

Yours in Christ,

Fr. Matt
