My Dear Parish Family,

Greetings in the Lord Jesus! Having completed my first two months as your pastor, I thought it high time to share with you some thoughts and initiatives that I hope you will find interesting and hopeful. First, let me express how blessed I feel to be here at St. Matthew's. This is a beautiful parish, alive and well; with every possibility open before us to win souls for Christ, to grow the parish, and to share the awesome love and saving power of God through the sacramental life of this vibrant family of faith.

Next year, Saint Matthew's will mark its 60<sup>th</sup> anniversary of foundation as the Catholic parish in Windham, New Hampshire, and we have so much to be grateful for and proud of. We will begin now to plan a worthy anniversary year of celebrations and initiatives to remember our history and to rejoice in our future. Indeed, this milestone is an important impetus for us to renew and strengthen all aspects of our parish life together, and with Saint Matthew as our patron and guide, I have no doubt that we will do just that. Towards this end, and after the COVID hiatus, I have re-engaged the parish pastoral and finance councils, and I am most grateful for their valuable contribution to the pastoral leadership of the parish. Look for the names and photographs of the members of these advisory committees in upcoming parish bulletins and on the parish website.

In my very first homily on the weekend of August 14/15, I shared with you that my first and most important task is to accompany you as pastor on the road of faith, and to help you get to heaven; and that the foundation of our parish life is the Eucharist; the celebration of the Holy Sacrifice of the Mass. Everything we *are* and everything else we *do* as a community of faith flows from this act of worship. Every Mass is the re-presentation of Jesus' sacrifice on Calvary, wherein sin and death were defeated, and eternal life in Him was won for us.

Speaking of this central and profound Mystery of our faith....Holy Cross parish in East Derry, has closed, and our parish has been offered the centerpiece of its sanctuary: the twelve foot crucifix, hand-crafted in Florence, Italy, at one of the few remaining sacred art studios dating back to Michelangelo. This is a precious gift, and I would very much like to accept it with profound gratitude. I have consulted a church architect, and the crucifix would fit perfectly above our sanctuary, and would be a striking and beautiful appointment, drawing us even more intimately into the saving sacrifice of Christ, which we celebrate at every Mass. My thought is that the image of the Resurrected Christ, currently mounted over the sanctuary, would be re-located to the narthex (gathering space). This is a warm and welcoming image of our Savior, and it, too, is a reminder of Christ's victory over sin and death and is an original and precious image to our parish family. It's placement in the gathering space, above the doors as you enter the church, seems a fitting place, to remind us of our mission as we are sent forth from each Mass. The existing crucifix over the Tabernacle, which is also quite striking, I have in mind to place in our Perpetual Adoration Chapel, which currently does not have a crucifix. As you know, we are working on refreshing this space in memory of Patrick Lofaro, so this will be an appropriate addition to that important project.

In addition, we are being offered the altar and ambo of Holy Cross Church, which I would also like to accept. Our current altar and ambo are not made of solid wood, but covered with veneer panels which are, in some places, coming apart. The Holy Cross set is made of solid wood, and actually matches the color of our pews more closely than our existing altar and ambo.

If in fact we can acquire these gifts from Holy Cross in East Derry, my hope would be to have them installed by the Solemnity of Christ the King, just before Advent, as we begin the new liturgical year. It would be a blessed way to begin our 60<sup>th</sup> anniversary, as well. I'll keep you updated with this progress.

There's lots happening here at Saint Matthew's. Daily confessions, Eucharistic adoration before Mass, the renewal of the perpetual adoration, adult and whole family faith formation, inspiring outreach and service programs, including homebound ministries, and more, all testify to the fact that Christ is alive! St. Matthew's is a generous and faithful community. We are a tithing parish. Let's continue to share God's blessings with those around us and invite others to join in our mission to proclaim Christ crucified and risen, living and reigning now and forever!

With affection and prayers always,

Monsignor Anthony

## WORLD MISSION SUNDAY-ONE SUNDAY FOR THE WHOLE WORLD

This year on **October 24** we celebrate **World Mission Sunday**. We join our Holy Father in supporting his missions. Pope Francis' message for World Mission Sunday this year reflects on the theme: "*We cannot but speak about what we have seen and heard.*" (Acts 4:20) He reminds

us that, "*as Christians we cannot keep the Lord to ourselves.*" We recall with gratitude all those men and women who by their testimony of life help us to renew our baptismal commitment to be generous and joyful apostles of the Gospel as we pray and respond here at home, we share in those celebrations taking place in every parish and school throughout the world. Together, through our prayers and financial support, we bring the Lord's mercy and concrete help to the most vulnerable communities in the Pope's missions. In a world where so much divides us, **World Mission Sunday** rejoices in our unity as missionaries by our Baptism, as it offers each one of us an opportunity to support the life-giving presence of the Church among the poor and marginalized in more than 1,111 mission dioceses.

For more information on World Mission Sunday, visit the diocesan website at: [catholic-nh.org](http://catholic-nh.org)

Last Saturday, October 9th, we welcomed author and speaker Danielle Bean as she led a Woman's Retreat based on her book: **You're Worth It**. We had the retreat originally scheduled for April 2020, then the pandemic hit. We rescheduled for October 2020, and still, we needed to reschedule, again! In true women style, we persevered and FINALLY enjoyed a beautiful retreat led by Danielle! She spoke of women in the Bible and how their REAL lives relate to our REAL lives. We were doubly blessed by having the beautiful and talented Sammie Simard lead us in music, and we also want to thank Fr. Steve who came and led Adoration for us. We thank the Retreat Team for the gift of a day set aside—for you made it possible!

that God is real?**

**Do you have friends, family members, co-workers—with the same questions?? Maybe they have been curious about what Catholics believe—or maybe they were Baptized but never made First Eucharist or Confirmation. We want to help make the journey to faith a welcoming one!**

A huge THANK YOU to our self-less Knights of Columbus who came out on Saturday to prepare food for the Women's Retreat. It was delicious and beautifully presented. You guys are awesome!!
