## ***The Well ~ a program for all parishioners***

The weekend Liturgies of the Eucharist are the fonts from which the whole community draws catechesis. The Well is a whole community catechesis program being implemented at the St. John Paul II Parish. It is a means to augment, enhance and develop both adult and youth faith formation. This will be accomplished through large group intergenerational, event centered, learning experiences. Interested households gather to share faith, ideas, and fellowship while participating in interactive faith based activities.

Adults, adolescents, and children, participating as households are welcomed to The Well events. Households are comprised of adults with young children, adults with adolescent children, adults without children, older adults, single adults - EVERYONE! Each participant in an event is both a teacher and a learner and can contribute equally to the process. Effective listening and an open mind are key tools in the success of any Well event.

Well events provide an opportunity for fellowship as we gather at table to share a meal, all ages learning experiences through the use of prayer, music, skits, discussion, crafts, stories, etc and finally an opportunity for sharing and discussion. Participants learn together through the sharing of ideas, opinions, and questions in small group and large group activities. Any learning done in the small group is then shared with the larger group. Adults and children learn with and from one another.

Well events will be an addition to and an option to traditional faith formation education in our parish, as well as continue to provide another vehicle to deliver the Gospel message to all parishioners. This year events will be held on four Sundays throughout the calendar year.

Appropriately titled, *Faith for the Future*, the collection recognizes that our futures truly do belong to the children we are educating in our schools today. Our 9 Diocesan elementary schools offer families a safe and nurturing environment in which to entrust their children's academic, social and moral growth, preparing them to become the future leaders of our church and communities.

We truly appreciate whatever sacrifice you can make to support their children's schools. Your contribution will help provide a Christ-centered and academically excellent Catholic education.
