### Stewardship Reflection

*"The Advocate, the Holy Spirit whom the Father will send in my name, will teach you everything and remind you of all that I told you. (John 14:26)*

The materialism of our society lures us to concentrate more on what we want than on what God wants for us. The relativism of our world tells us that we should be tolerant of all things, that there is no absolute truth. Pray to the Holy Spirit to transform our lives and to guide our thoughts, words and actions. What you put in your head, heart and mind affects your actions. Put good things in and good things will come out.

## LIVE THE LITURGY

INSPIRATION FOR THE WEEK

St. Josemaria Escriva tell us, "To live according to the Holy Spirit means to live by faith and hope and charity. To allow God to take possession of our lives and to change our hearts, to make us resemble him more and more." Today we celebrate the gift of the Holy Spirit given freely by God to us. The Holy Spirit is the very breath of God and the true source of our power and strength. When we accept that God is the beginning and the end of all things, we open ourselves to receiving this powerful presence. The Holy Spirit alone is the one who teaches us how to pray, who stirs us to lift our eyes to heaven in search of our Creator and opens them to recognize the wonderful gifts of faith, hope, and love God gives us. The Holy Spirit is the one who teaches us how to understand ourselves, God, others, and the world. When we allow God's Own breath to truly take possession of us, we realize that we are meant to become like God and know Him as He really is. This ultimate helper lifts our eyes from what is below to what is above and empowers us to live life with joy and keener vision!
