25th, 40th, and 50th and Over 50 years wedding anniversary celebration

The Office of Marriage Preparation and Enrichment of the Diocese of Providence is sponsoring the annual Wedding Anniversary Celebration on Sunday, September 26, 2021, 1:00 P.M., at the Cathedral of SS. Peter & Paul, Providence.

Married couples who are celebrating their 25th, 40th, and 50th and over 50 years wedding anniversary in 2021 will be honored at this celebration. Couples who would like to attend must register for this event through their parish no later than Thursday, August 19th.

The Wedding Anniversary will include Mass, renewal of marriage vows and a personalized certificate for each couple. Following the Mass, the Office of Marriage Preparation and Enrichment will host a reception for the couples and their families. Bishop Thomas Tobin will be the main celebrant.

****Important points regarding the celebration****

- The celebration is for couples observing their 25th, 40th, 50th, and over 50 years wedding anniversary in 2021.
- One or both of the spouses need to be Catholic, with the marriage recognized by the Church
- The celebration is for couples; if it is not possible for both to be present, a certificate can be forwarded directly to the couple.

Pastor's Column

As we enter into the month of August, I want to call your attention to the last weekend of August and the second collection of that weekend. This collection, which has been known as the "Stewardship Collection" is undergoing a name change and has become the parish's "Legacy Fund Collection." While the name has changed, the purpose of this collection is much the same. When I first introduced the Stewardship collection I described it as a means of honoring all those men and women of St. Patrick and St. Aidan parishes who had supported the two parishes over the years by giving of their "time, talent and treasure." Time, talent and treasure are the hallmarks of Catholic Stewardship and are the best description of the overall donations of our parishioners. The support that the parish receives from the parishioners is not limited to monetary donations but also includes the person's gift of self in hours of service and the sharing of their abilities and giftedness. The scriptural references to a steward refers to a servant of the household who sees himself or herself as more than an employee; they see themselves as valued members of the household.

So, you may ask, why change the name of the collection? It is because while the term stewardship may be recognized in church settings, the term "Legacy" is better understood both within the Church and in non-Church settings. In addition, while Stewardship aptly defines present situations, the term Legacy calls to mind the past, present and future of an individual's presence and actions. There is no question that our parish is the result of the generous gift of time, talent and treasure that parishioners have offered over the years in support of their parish. Yet while the history of parish may include a listing of the priests and religious who served there, it is unlikely that the history would include the names of all those "in the pews" who also helped to build up the parish community. Our Legacy as St. Aidan-St. Patrick parish includes the active participation of parishioners over the past 160 years. This new Legacy Fund seeks to honor the past generosity of our parishioners by assuring that what was begun in Cumberland in 1861 may continue and prosper for many years to come. In addition to the regular, yearly collection at the end of August, we will also be promoting the Legacy fund as a means of honoring parishioners throughout the year, especially in remembering the contributions of the parishioners at the time of their death and burial. We will be creating pamphlets that explain the purpose of the fund that can be used by families who, at the death of their loved ones, may wish to direction donations in lieu of flowers to the Legacy Fund in the name of the deceased. Also, parishioners may wish to make an offering to the Legacy Fund as part of the bequests they describe in their wills. The monies we collect for the Legacy Fund will be kept in a savings account with the Diocese of Providence (which consistently has paid more in interest than banks and credit unions.) This fund will be used mainly as a building fund to help with major repairs and improvements to the parish church, hall and residence. While we already have a regular Maintenance Collection, those monies are used for routine maintenance during the year. The monies collected in the Legacy Fund will be used for much larger, capital projects such as a new roof for the parish hall, renovation of the church hall to provide more meeting rooms and a serviceable kitchen area; improvements to the sound system of the church, etc. We will also strive to keep a record of all the donors to the Legacy Fund as a perpetual memorial of the generosity of parishioners over the years. It is their contributions to this parish that is the Legacy we wish to promote and honor.

You're Invited to the St. Aidan & Patrick Women's Group Tea Party

The Saint Aidan and Saint Patrick Women's Group promotes friendship among women and provides an outlet to help them discuss and live their faith. Our goal is to support one another, our parish, and our community. Our inaugural meeting will take place on August 15 from 6:30-8 pm in the Parish Hall. Our theme this month is friendship as we reconnect after so many difficult months. We will make succulent gardens and enjoy tea and desserts as well as games and a raffle. Please bring a school supply to donate to B.F. Norton and Garvin elementary schools. Flocknote

In case you missed our announcement at masses, our parish is excited to announce a new communication system with you! To help us gather these groups together, our parish is partnering with a communications system called Flocknote. Flocknote helps us to gather our parishioners emails and phone numbers in order to help us be more communicative with you.

This will be a great tool for us, especially when we need to notify all of you quickly. For example, if there is inclement weather and we are not able to hold mass, we can easily notify all of you quickly through text and email. The system will not share the information you provide with any other systems. It is free for all of you to use and you can opt out of the system at any time. To sign up, we simply ask you to pull out your phone and text “APP” to 84576.

It will then text you a link to finish your sign up. When you click on the link, it will ask you for your name and if you have one, your email address. When you hit next, it will show you a list of our parish groups. You can click on any group to receive notifications for that group. For example, if you have a child in religious education, you can join the group religious education parents group. If you want to be notified about the women’s group, you can join the women’s group that you will see on the list. Once you click on all of your groups, you’re sign up is complete.

If you don’t have a smartphone, you can sign up at: <https://staidanstpatrikparish.flocknote.com/dashboard>. If you have any question, please don’t hesitate to track down our pastoral coordinator, Moira, in the back of the Church or at the parish office at 401-333-5897.
