Adopt-A-Student Program/ Programa ADOPT-A-STUDENT

The parishioners of St. Joseph are very generous and supportive of our parish school, and our school family is grateful for this generosity. In times of financial difficulty, there are families who wish to remain or enter our school, but do not have the financial means to do so. In light of this we have an

ADOPT-A STUDENT program to provide for these families.

Anyone wishing to participate in the program should contact Fr. Mark D. O'Donnell, Pastor, or Marianne Cote, Principal.

Thank you for your continued generosity to our students.

Los feligreses de Saint Joseph son muy generosos y apoyan nuestra escuela parroquial, y nuestra familia escolar está muy agradecida por esta generosidad. Hay familias que desean permanecer o ingresar a nuestra escuela, pero lamentablemente no tienen los medios financieros para hacerlo. A raíz de esto, para poder ayudar a estas familias, tenemos el programa ADOPT-A-STUDENT.

Cualquier persona que desee participar en el programa debe contactar a nuestro Párroco, Padre Mark D. O'Donnell, o a la Directora, señora Marianne Cote.

Gracias por su continua generosidad con nuestros estudiantes.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

The Holy Family of Jesus, Mary, and Joseph

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too. ©LPi

MEDITACIÓN DEL EVANGELIO - FOMENTAR UNA COMPRENSIÓN MÁS PROFUNDA DE LAS ESCRITURAS

La Sagrada Familia de Jesús, María y José

Las familias pueden ser cosas muy difíciles de negociar. Esto es cierto no sólo de nuestras familias de origen, la familia actual de la que somos parte, la familia de nuestra Iglesia, nuestra sociedad y nuestra familia global también. Todo lo humano se puede encontrar en las historias familiares. Esas historias hablan de maravillosos éxitos que dan vida, así como de dolorosos abusos que roban el espíritu. Nuestras mayores alegrías y nuestras mayores heridas suelen estar conectadas con la experiencia de la familia. Nuestras necesidades, experiencias y bagaje no resuelto a menudo colorean lo que aportamos a nuestras relaciones familiares. Contribuyen a nuestro nivel de actitud defensiva, cuán cautelosos y protegidos nos volvemos y qué prejuicios creemos.

Para romper el ciclo de disfunción tenemos que recordar que no es sólo por el esfuerzo humano que negociamos los eventos difíciles y desafiantes de nuestras vidas. También hay un Esfuerzo Divino en acción. Sin duda, el esfuerzo humano puede crear un gran desastre y destruir vidas fácilmente. Esto es cierto para cualquier familia con la que estemos asociados. La Fiesta de la Sagrada Familia de hoy sirve para ayudarnos a entender que también se está contando una Historia Divina. Es una historia de perseverancia frente a las dificultades, determinación frente a la desesperación, curación cuando no vemos nada más que heridas, y luz donde hay oscuridad.

¿Creemos que Dios siempre está obrando, guiando, restaurando y liderando? A menos que lo hagamos, nunca estaremos libres de las imperfecciones y heridas que nos atan y nunca seremos capaces de entender lo que realmente significa perdonar. El Papa Francisco nos dice que la "luz que viene de la Sagrada Familia nos anima a ofrecer calor humano a otras familias". Si bien esto es ciertamente cierto, solo podemos comenzar a hacer esto cuando nos damos cuenta de que todavía somos obras en progreso, no anclados a las heridas y pecados de nuestro pasado, y todavía una estrella líder en la historia de amor que se desarrolla continuamente en Dios. La Sagrada Familia perseveró e irradió calidez porque sabían que no estaban solos. Nosotros también podemos. ©LPi

Feast of the Holy Family of Jesus, Mary and Joseph

"See what love the Father has given us, that we should be called children of God, and so we are."
1 JOHN 3:1

During this season of giving, let us remember a beautiful gift that we have received - being children of God! As God's children, it's in our DNA that we share and express our love for others as well. Tell your spouse, children, other family members and friends that you love them, every day! Also, pray for those people that are different than you, those that you may not like or those that go out of their way to annoy you. Your prayers may be the start of a new friendship.

Fiesta de la Sagrada Familia de Jesús, María y José

"Miren el amor que nos ha dado el Padre, para que seamos llamados hijos de Dios, y así somos". 1 Juan 3: 1

Durante esta temporada de dar, recordemos un hermoso regalo que hemos recibido: ¡ser hijos de Dios! Como hijos de Dios, está en nuestro ADN que también compartamos y expresemos nuestro amor por los demás. ¡Dígale a su cónyuge, hijos, otros miembros de la familia y amigos que los ama todos los días! También ore por aquellas personas que son diferentes a usted, aquellas que quizás no le agraden o aquellas que viven molestandole. Sus oraciones pueden ser el comienzo de una nueva amistad.
