## Stewardship

In the 1980s and 1990s, Saint Mary's Parish, under the direction of Andrea Goodrich, had an impressive choir of nearly, if not more than forty members. They were dedicated to their ministry and enhanced our parish worship in many ways. During May, another member of that choir joined the heavenly one. Ernest 'Ernie' Longchamps was a tenor in the choir for more than a decade. Climbing the stairs to the loft every week to lift his voice in song and praise to our Lord.

Following the death of his beloved wife, Helen, in 2018, he moved from Milford to Oxford, taken in by his youngest son and his family. A kind and loving man, he was known by many in our parish for his kindness and devotedness to the Eucharist, a faith he shared and passed to his three sons. Living fully, Ernie drove himself to the doctor for his last appointment before being admitted to the hospital from which he returned home on hospice. Within ten days, he left us to join the angels in singing praise to God.

Ernie touched the lives of all who knew him with his humility and humor. We, at Saint Mary's Parish, were blessed by his stewardship for many years. This good and faithful servant has been called home, but we have been blessed by his stewardship and generosity. **Rest in peace, Ernie.**

### A Message from Father Peter

Dear Parishioners,

Our civic observance of Memorial Day on Monday, May 31<sup>st</sup>, this year coincides with the liturgical feast of the Visitation. This encounter, recorded in Luke's gospel tells the story of the meeting between two cousins, Mary the Mother of Our Lord with her cousin, Elizabeth, the mother of Saint John the Baptist. Each woman carries in her womb the promise of our salvation; one the precursor who will prepare the way and call God's people to conversion, the other our Savior, Christ the Lord. While both women know that God is at work in their lives to accomplish our redemption, few others are even aware. This meeting underscores the gift of every life within the womb, its sacredness and our sacred responsibility to guard and protect it.

Sadly, in our modern society this moral responsibility is overshadowed by those who profit from the abortion industry who have convinced our legislators that this is not necessarily a human life but about the right of a woman to have control over her body. These are the same advocates forcing us to recognize that there are not two genders to the human race, but a spectrum of gender identity beyond what science tells us is either male or female. While we are being reminded to 'follow the science' when it comes to wearing masks and being vaccinated, the same agencies argue that science has nothing relevant to say about human gender identity. No wonder so many in our modern society are confused. And all the while the abortion industry takes in millions of dollars in profit and tax revenue under the guise of freedom.

Too many Americans are far too complacent about our larger culture to research the situation and 'follow the science' or the money to see why so many are hoodwinked into thinking this is about freedom, when it is about genetics and the selection of those persons in the womb who are acceptable or not acceptable to our for-profit society. Interestingly, in the recent arguments over racist figures in our history, a rare few have pointed out the overt racism of Margaret Sanger. As the founder of Planned Parenthood, an agency that is quite proud of her efforts to promote abortion as a selective process for a healthier and purer society, all according to her racial and economic standards. Despite her hatred not of slavery, but of African Americans, and renowned as a eugenicist, promoting the need for controlled human breeding, a statue of her is allow to remain in a place of honor in the city of Boston while one of President Lincoln has been removed to storage. This is the hero, the founder of Planned Parenthood, whose ideological descendants are convincing our modern society that abortion is acceptable and even preferred.

Now an opportunity presents itself for people of moral value to challenge our government and push back against the racist eugenics of Sanger and her followers in the coming days. Congress, with Democratic control of both chambers of the legislature and the executive branch, is poised to act on a repeal of the Hyde Amendment. A repeal of this law would undue 50 years of bipartisanship that has held the provision that our tax dollars would not be used to fund abortion. Abortion is more about that industry's profits and the vision to control human genetic selection that at the same time destroys a human life in its most vulnerable situation. Many who have worked in the industry have spoken out about their misgivings, the lack of medical oversight, and the bottom line of profits that engineers this industry, but the larger voice using the tag line of individual freedom trumps their truth and reason by creating a fear that other individual freedoms will be lost as well. If repealed, the industry will become far more powerful, funded by *billions of tax dollars* to make it even richer! Please add your voice to stop this madness: if you value human life, are against racism, the vision of a superior race, or the exploitation of women, go to [NoTaxpayerAbortion.com](http://NoTaxpayerAbortion.com).

### A Look Back ...A World at War

The further time marches away from that global conflict known as World War II and claims the lives and memories of those who lived through it, the less horrific the experience is for those who did not endure it. History tells us that no attack took place during the war on American soil, but the threat of that was real to those who lived here during that time. The details become clear in an article from *The Milford Daily News* on February 24, 1942, that explains the preparations that the Sisters of Saint Joseph had undertaken for their students in the event of an air raid. Written permission was secured from the parents of those students who lived near the school who could return to their home by walking within a ten-minute time span. All other students would be evacuated to the basement of each school which had been equipped for this emergency procedure.

The windows had been outfitted with wooden shutters to contain any glass shattering in the event of a bombing. Sand bags had been installed on the ground directly outside the windows. Folding chairs were placed in a secure area so that students would not need to stand or sit on the floor until an all clear signal was given. Pails of sand and shovels had been placed on each floor and volunteers secured to provide a fire watch during the air raid. These fire precautions were also available in all other parish facilities. The Sisters saw that they provided daily instruction on what to do in the event of an air raid and had practice drills. On Thursday nights, they schooled their students on some of the basics of first aid, in the event it would be needed. The article also remarks that Defense cards had been installed in each classroom. Encouraged by Fr. Curran, their pastor for these efforts, the local Chief Air Raid Warden, Michael Hachey, remarked that the cooperation of the Sisters 'was an outstanding example of patriotism and judgment and showed a remarkable sense of responsibility for the hundreds of children entrusted to their care.'

These concerns and efforts were not limited to the school and its students. A front-page article in *The Milford Daily News* on March 6, 1942, identified that an air raid would take place the following Sunday at 9:30 pm. Town officials would gather at the Hoboken Club on Upper Central Street to view the proceedings. There would be three blasts from the fire siren when people would have ten minutes to get home or off the streets. The main roads from neighboring towns would be closed to traffic at the same time.

An article the next day, March 7<sup>th</sup>, explained that there were 200 air raid wardens serving in Milford and that 40 auxiliary police officers had been hired. It explained to people that all lights were to be extinguished when the sirens sounded. Restaurants, clubs and hotels that had lobbies whose lights could be blocked from being seen outside could remain open, but any of those facilities that couldn't block their light to the outside would need to close and lock their doors. People were to remain in their homes and if they were not equipped to block light from emanating outside, they were to darken all of their house. No one was allowed to carry a flashlight or to smoke outside during the drill. It explained that "officials said no plans (sic) has been made to divert traffic from the town just before the blackout on the theory that it should be staged under conditions as normal as possible."

1st Reading New Testament: Deuteronomy 4:32-34, 39-40 (165B)

2nd Reading New Testament: Romans 8:14-17

**Our meditation:** *"The Spirit itself bears witness with our spirit that we are children of God, and if children then heirs, heirs of God and joint heirs with Christ..."*  
- ROMANS 8:16-17

**Our response:** If we are heirs to the kingdom of God, shouldn't we work to build up His kingdom? Shouldn't we be good stewards of our inheritance, using our time in prayer, our talent in charitable works and our treasure to care for the Church that God has left to us? Our Church is a treasured heirloom from God. Do we treat it that way?

Each first Wednesday of every month is dedicated to Saint Joseph and his Most Chaste Heart. To those who make the 9 first Wednesdays (*similar to the promise of nine first Fridays to the Sacred Heart*), he promised special graces to the sick and dying. The chaplet mediates on the 7 Sorrows and Joys of Saint Joseph. We invite anyone to join us in person or on line to pray the chaplet this **Wednesday, June 2, 2021, the 1<sup>st</sup> Wednesday of the month.**

"In modern times, children in their mothers' wombs and those approaching the end of their lives are certainly among the "least of these" in our world's estimation. Practices such as abortion and assisted suicide tragically reject the truth that human life is always to be cherished and defended with loving concern....Through the intercession of Our Lady of Guadalupe, may Our Lord grant us the grace to truly and courageously live his Gospel of life."

#### Teach Kids to Protect Themselves at Home

We consider our homes to be safe places for our children. But being home alone can pose risks for children. Here are a few tips to teach kids that will help keep them safe when you are not with them at home: Never answer the door if alone. Do not invite anyone in the house without the permission of a parent or babysitter. Don't tell anyone on the phone that your parents are not home. Instead tell them that your parents can't come to the phone, and take a message. For more tips, please visit [www.kidsafe.com](http://www.kidsafe.com). After-School Safety Tips for Children Who Are Home Alone," [www.kidsafe.com](http://www.kidsafe.com).

If you are aware of an incident of sexual misconduct and the suspected offender is a priest, deacon, candidate, seminarian, religious, lay minister, employee or volunteer, you are encouraged to report the matter to the Diocese of Worcester. The report can be made by phone, contact Judith Audette at the Office of Healing and Prevention, (508-929-4363) or in writing, to the Office for Healing and Prevention, 49 Elm St., Worcester, MA. 01609.

## MEDITAÇÃO DO EVANGELHO 30 de Maio de 2021 A Santa Trindade

Obrigado Senhor, por estar sempre conosco. Embora, por causa da nossa cegueira, não percebamos que você sempre esteve lá. Presente em todos os eventos da história, guerras, pandemias e catástrofes. Você, sempre presente como você nos prometeu. "Estou convosco todos os dias até ao fim do mundo" (Mateus 28:20). Hoje celebramos a solenidade da Santíssima Trindade. Presença do Deus Triúno desde a criação do mundo até hoje. Obrigado Pai, por nos revelar seu amor por meio de Seu Filho Jesus Cristo, obrigado por ter vida em você por meio do Espírito Santo.

Na liturgia de cada domingo, celebramos aquilo em que acreditamos, e a Igreja hoje nos lembra o que é fundamental: Deus Pai, o Filho e o Espírito Santo. Fomos batizados em seu nome, nos benzemos todos os dias ao começarmos as atividades em nome do Pai, do Filho e do Espírito Santo. A grande maioria de nossas orações começa ou termina em nome da Trindade. Mistério de unidade e harmonia! Somos trinitários, somos um em Deus. Ou seja, relacionamento, comunhão e comunicação. Somos uma comunidade de crentes, seguindo o legado de comunhão e amor que Jesus ensinou aos seus discípulos. "Vá, então, e faça de todos os povos meus discípulos. Batize-os em nome do Pai e do Filho e do Espírito Santo e ensine-os a cumprir tudo o que vos confiei" (Mateus 28:19). Cumprir com amor e justiça é uma urgência da sociedade atual. Você acredita nisso? O desafio é começar agora a se relacionar em comunidade, aceitando-se com caridade.

**MEDITACIÓN DEL EVANGELIO**

**30 de Mayo de 2021-La Santísima**

**Trinidad**

Gracias Señor, por estar con nosotros siempre. Aunque por nuestra ceguera no nos damos cuenta que tú siempre has estado ahí. Presente en cada acontecimiento de la historia, guerras, pandemias, y catástrofes. Tú, siempre presente como nos lo prometiste. “Yo estoy con ustedes todos los días hasta el fin del mundo” (Mateo 28:20). Hoy celebramos la Solemnidad de la Santísima Trinidad. Presencia de Dios Trino desde la creación del mundo, hasta nuestros días. Gracias Padre, por revelarnos tu amor por medio de Tu Hijo Jesucristo, gracias por tener vida en ti a través del Espíritu Santo.

En la Liturgia de cada Domingo, celebramos lo que creemos, y la Iglesia hoy nos recuerda lo fundamental: Dios Padre, Hijo y Espíritu Santo. Fuimos bautizados en su nombre, nos santiguamos cada día al comenzar las actividades en el nombre del Padre, del Hijo y del Espíritu Santo. La gran mayoría de nuestras oraciones comienzan o terminan en nombre de la Trinidad. ¡Misterio de unidad y armonía! Somos Trinitarios, somos uno en Dios. Es decir, relación, comunión y comunicación. Somos una comunidad de creyentes, siguiendo el legado de comunión y amor que Jesús enseñó a sus discípulos. “Vayan, pues, y hagan que todos los pueblos sean mis discípulos. Bautícenlos en el Nombre del Padre y del Hijo y del Espíritu Santo, y enséñenles a cumplir todo lo que yo les he encomendado a ustedes” (Mateo 28:19). Cumplir con el amor y la justicia es urgencia de la sociedad actual. ¿Crees esto? El reto es empezar ahora mismo a relacionarnos en comunidad, aceptándonos con caridad unos a otros. ©LPi
