**“He instructed them to take nothing for the journey but a walking stick – no food, no sack, no money in their belts.” MARK 6:8**

Imagine taking nothing but a stick when you go on a trip. The Apostles must have really trusted in God's providential care. Think of all the material things “we can't live without” in today's world. We make our life's journey more difficult because of all the material baggage that we drag along. Putting God first in everything and putting our money and possessions second gives us freedom because we don't become “slaves” to wanting to acquire more things.
