The Baptism of the Lord

Dear Fellow Parishioners,

Happy New Year everyone! And what strange events are unfolding as we enter this New Year. Several time I have read the words “Navigating the New Year!” When I think of navigating, I tend to think of finding the right way to deal with a difficult or complicated situation. Why should this year be different from any other year? It could be the unknowns, but there are lots of those for all of us in every year. The pandemic certainly plays a part and the political situation sure is complicated. All are out of our hands. Many things will continue to occur here at Sacred Heart in the months ahead.

On February 2nd we will begin our Faith and Racial Healing course. I am looking forward to making the journey together and deepening our understanding and desire to embrace truth, justice, and restoration. Grappling with the big picture of racial injustice with others helps us to come to a place where we can make a difference in the world.

That Man is You will begin another 13-week journey with a Saturday 7:30-8:00 A.M. Zoom meeting for men. If you are interested, please let Ernie Chaplin know and he will send you the link for the weekly half-hour film and the link for the zoom meeting.

The Annual Partners in Charity appeal has begun, our goal in the same as last year, \$43,200.00. I am asking everyone to be as generous as possible. It would be great if parishioners who have not given in the past help us out in meeting our goal to assist the Diocese in the ministry and educational needs all our parishes.

The Pastoral Planning Team is looking for your wisdom. We want to make sure we are asking everyone the right questions as we prepare for a post-pandemic parish community. If you are interested in helping us put together a parish needs assessment/survey please let me know, we would be happy to have your wisdom in this process.

In the spring we will be conducting a Diocesan Capital Campaign “Legacy of Hope.” We have a team together from last year when we were supposed to conduct the campaign. Will keep you posted as that unfolds. We will do the best we can.

This Lent, Holy Week and Easter will be an improvement from 2020 in that we will be able to invite you to church, rather than simply live-streaming our services. So, let's breathe, take one day at a time, and see how everything unfolds, as we “navigate” a New Year!

Fr. Bill

Message Shaper's Corner

Hindsight is 2020

LAST YEAR WAS CRAZY, unsettling. 2020 was filled with a pandemic, political unrest, racial discord and natural disasters. All of these disagreements have polarized our world and the Church. Our opinions and causes have sent us to our corners, and many of us came out fighting in the ring of what we thought was right.

As we start a new year it can be a good idea to look back. Evaluating where you've come from is a great way to help you establish where you're going. Remembering where you were before Christ came into your life is a great motivator for putting your all into telling others about the Lord!

Reflection Questions

- ◆ Adults: What qualities do you have that would cause others to recognize you as a disciple of Jesus?
- ◆ Kids: What does it take to be a follower of Jesus?

While in Church:

- At all times wear a mask covering your mouth and nose.
- Sit only in pews with the signs that read "sit here".
- When you are the first to enter a pew please sit in the middle of the pew. This will allow room for everyone without having to climb over anyone.

If you have any suggestions or questions on keeping everyone safe and healthy please reach out to the Parish Office.

Funerals: Funeral Masses may be celebrated with the same restrictions as for any Mass, including social distancing and liturgical adaptations.

Weddings

The Sacrament of Matrimony may be celebrated with the same restrictions as for any Mass, including the appropriate provisions for social distancing and liturgical adaptations.

Baptisms: Only individual Baptisms may be celebrated with a prudent limitation on the number of people present and the requisite considerations for social distancing. All rites should take place with the family remaining in the pew. Either the parents **or** godparents approach the font while carrying the child and then, after the explanatory rites, return to their pew. All who are present wear masks throughout, with the exception of the child to be baptized.

Our parish follows the guidelines of the national Charter for the Protection of Children and Young People approved by the US Bishops and the Diocese of Worcester in screening those who work with children in our care and in helping victims of abuse find healing. If you or someone you know has been sexually abused by a Church employee or volunteer in the past, please contact the Victim Assistance Coordinator for our diocese at 508-929-4363 (direct line & confidential voicemail). If you are concerned about a current case of abuse, please contact the local civil authorities immediately.
