They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. — Mt 2:10-11

PASTOR’S CORNER

Dear Parishioners and Friends of St. Denis,

A blessed and healthy New Year 2022 to all of you!

Long before the U.S.-originated figure of “Santa Claus” (think Clement C. Moore’s *The Night before Christmas* and Coca-Cola ads and commercials) became widespread throughout the world, many Christian cultures and countries had other figures who were more symbolic of the Christmas Season. In many Hispanic countries, the Three Wisemen who arrived at the Feast of the Epiphany were the ones who brought gifts to children, just as they had brought gifts for the Newborn King of Israel.

My first year of school in Rome, Italy was when I was in sixth grade. (Yes, I went off to boarding school for the first time when I was 11 years old!) My brother, Kevin, was a freshman at Notre Dame International School, run by the Brothers of Holy Cross, that year. My brother, John, had graduated from NDI in the Spring of 1973. All three Mulcahy boys graduated from NDI, but the three of us were never at the school all at the same time.

Every year in Rome, the Christmas market is held in Piazza Navona. I don’t know what the global pandemic has done to that tradition. The whole oval-shaped piazza (it was a racecourse in ancient Rome) is lined with stalls selling food, gifts, crafts, and trinkets. The dormitory prefect for us younger kids, Brother Joseph Ashe, CSC, took us down to visit the Christmas market in Piazza Navona, probably on a Friday or Saturday evening before the semester ended and we went home to spend Christmas with our families. We sixth and seventh grade boys were most interested in the stalls that sold gag gifts – things like itching powder, stink bombs, and whoopee cushions. You get the picture...

But in many of the stalls, instead of Santa Claus and his elves, was the figure of an old witch, sometimes astride a broom. I had no idea what her significance was, but that evening I learned that that was **Befana**. Her name is derived from the word for Epiphany in Italian: **Epifania**. Traditionally, for the peoples of the Italian peninsula, she was the one who kept an eye out throughout the year on which boys and girls were “being naughty or nice,” not Santa Claus, and on the Feast of the Epiphany, she would fly on her broom to bring gifts to the good little children, but to the naughty ones, she would bring, not coal, but “switches”, thin tree branches that were to be used in “disciplining” bad children (when that was considered acceptable behavior.)

What other Christmas and Epiphany traditions did you and your family grow up with?

Catholic gentlemen who are interested in joining this worthwhile endeavor should contact the Knights at eabrine@gmail.com.

FAITH AND LITERATURE GROUP

The January meeting of **Faith and Literature** will be on Tuesday, January 18th at 7:00 pm via zoom. We will be reading and discussing selected writings by Dorothy Day. She was a journalist by trade as well as a strong social advocate. We will discuss both the content and the literary style of the selected writings. The Church has opened the cause of her canonization and has given her the title "Servant of God." For more information or to obtain an PDF of the writings, please contact Sharon Weaver at sharon.ramey.weaver@gmail.com.

A traditional way of doing this is to use chalk to write above the home's entrance:

20 + C + M + B + 22. The letters **C, M, B** have two meanings. They are the initials of the traditional names of the three Magi: Caspar, Melchior, and Balthazar. They also abbreviate the Latin words *Christus mansionem benedicat*, "May Christ bless the house." The "+" signs represent the cross and 2022 is the year.

Using the blessed chalk, mark the lintel of your front door (or front porch step, if it's impossible to write above the door) as follows:

20 + C + M + B + 22

while saying: *The three Wise Men, Caspar, Melchior, and Balthazar followed the star of God's Son who became human two thousand and twenty-two years ago. May Christ bless our home and remain with us throughout the new year. Amen.*

Then offer the following prayer: *Visit, O blessed Lord, this home with the gladness of your presence. Bless all who live or visit here with the gift of your love; and grant that we may manifest your love to each other and to all whose lives we touch. May we grow in grace and in the knowledge and love of you; guide, comfort, and strengthen us in peace, O Jesus Christ, now and forever. Amen*

"Chalking the door" is a way to celebrate and mark, literally, the occasion of the Epiphany and God's blessing of our lives and home. With time the chalk will fade. As it does, we let the meaning of the symbols written sink into the depths of our heart and be manifest in our words and actions the Latin words, *Christus mansionem benedicat*, "May Christ bless the house."

Replacing the Parish Hall Tables

Have you ever helped set up for a parish event? Have you helped move the old laminate tables we currently have? If so, you know first hand the condition of the current tables (not to mention their weight!). They have served us well over the years, but they are long past their prime.

We are hoping to replace the old tables with new, lighter, durable plastic folding tables. We can't do this without your help and so are gratefully accepting donations to make this happen.

We are hoping to purchase fourteen (14) 8' rectangular tables, at \$220/each, as well as fourteen (14) 5' rounds at \$300/each. Whether you can give the amount for one table or more, or even a small fraction of the cost, your donation will help our parish community enjoy many years of future events.

Please note that as we replace them, the old tables are available to anyone who may want them or be able to use them. If you know of an organization, school, etc., that could use them, please let us know.

Thank you for your consideration. If you have any questions, please contact Jessica at faithformation.stdenis@gmail.com.

We are again looking for volunteers to help provide and serve meals to the needy and it is time once again to set the schedule for the upcoming year. For several years members of the St. Denis Community Dinner Program have provided meals to the needy on the second Wednesday of every month.

Due to Covid we were on hold for more than a year but, thankfully, started up a slightly modified program last summer. We are part of a larger program run by the Listen Community Center and our job is to prepare and serve approximately 90 meals each month at the Listen Center in White River Junction. Each volunteer family works with a team of fifteen to sixteen St. Denis families preparing and serving these meals. About sixty families are currently involved in this project and, as a result, each team is responsible for three meals per year. We are in the process of setting the schedule for 2022. If you would like more information or want to volunteer to be part of this fun and worthy effort, please contact the parish office or Bob Snyder at 603-252-2914 (cell), 603-643-3230 (home) or bob@snydernh.com.

The next **Listen Community Dinner** will be served on Wednesday, January 12th, 2022 at River Point in White River Junction by Team #2 from 4:00 p.m. – 6:00 p.m.
