DEAR BROTHERS AND SISTERS IN CHRIST,

This weekend we celebrate all of our mothers, both living and deceased. Gratefully, many of us presently have or had a wonderful relationship with our mothers. This is a true blessing.

I think of my own mother today and the blessing she was to me throughout my life even now that the Lord has called her home to Him. My mother was the true heart of our family.

Many mothers have shared with me that being good mothers to their children was their greatest desire in life. ***“Being a mother is not about what you gave up having a child but what you’ve gained from having one.”***

However, it is important that we acknowledge that not everyone has, or had, a close relationship with their mother. It is also a sad fact that there are many women who wanted the blessing of becoming mothers but were not given that special gift. For these women, “Mother’s Day” is especially trying and painful. We need to be mindful of them and support them with our loving kindness, affection and prayers.

Mary is truly the Mother of the Church. We pay her special honor and tribute this weekend as we do throughout the church year.

Dear Blessed Mother, please pray for all of our mothers! ***Happy Mother’s Day, Moms!***

OUR DEACONS’ ANNIVERSARIES OF ORDINATION:

We are truly blessed with the presence of three deacons in our parish who faithfully serve our parish community. Each one of them is celebrating the anniversary of his ordination to the diaconate this month:

- Dcn. Rick Brunner** – May 21, 2005
- Dcn. Chris Daniello** – May 17, 2014
- Dcn. John Horn** – May 19, 2018

Please keep all of our deacons in your prayers, especially, on their anniversaries. Thank you, Dcn. Rick, Dcn. Chris and Dcn. John! We are so grateful for your loving service to our parish and the church.

A Quick Journey Through the Bible

Many Catholics want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. *Unlocking the Mystery of the Bible* helps you get the "big picture" by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church. Presenter Jeff Cavins shows you how to read the Bible so that you can actually understand it. Aided by the unique color-coded *Bible Timeline*® Chart, which arranges the key people, places, and events of Scripture in chronological order, *Unlocking the Mystery of the Bible* will help you discover the story of salvation history and understand how you fit

into God's plan. This eight-session study program includes video presentations that explore all twelve time periods of *The Bible Timeline* Chart. Sign up form on Page 7.

Come join Deacon's Rick and Chris on Wednesday evenings in Delaney Hall at 7:00pm for this 8-week course. Starting Wednesday May 31st. Use the link below or scan the QR code with your phone to order the book from Ascension Press (order the one for \$26.95) <https://ascensionpress.com/collections/unlocking-the-mystery>

Gifts from Bethlehem Olivewood Handcrafted from the Holy Land

A Traditional Art and Livelihood for holy Land Christians

The handicrafts trade evolved as a cultural tradition of Christians in the Holy Land for many centuries. This indigenous form of art has since become an industry of great importance to the local people of the Holy Land who rely on it for livelihood, and to Christian pilgrims from all around the world whose holy pilgrimage can be memorialized for a lifetime in cherished olive wood or mother of pearl souvenirs. The olive wood carving market is the major source of income in the Bethlehem area. More than 65 percent of the income of the community in Bethlehem comes from this work.

In recent years, however, the holy crafts trade has suffered many hardships due to social and economical pressures. Because of a sharp fall in tourism and also as a result of diminishing numbers of craftsmen who leave their traditional trade and emigrate due to the difficult conditions in their homeland, the Holy Land handicraft market is facing serious danger, and so is the Christian community in the Land. Sixty five years ago the Christians represented more than 28% of the total population in the Holy Land, today they are less than 1.5%. The loss of Christians in the land of Christianity's birth will represent a tragedy of immeasurable proportions for the billions of Christians worldwide.

Thank you for your vital support for a Christian tradition and in protecting this very important culture and industry.
