17TH SUNDAY IN ORDINARY TIME

"There is a boy here who has five barley loaves and two fish; but what good are these for so many?" Then Jesus took the loaves, gave thanks, and distributed them to those who were reclining, and also as much of the fish as they wanted. - Jn 6:9, 11

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

the 9am Mass

The Knights of Columbus Council 1395 is in the process of renewing our calendar of events and we would like your input! As we put together our calendar for the year ahead we are thinking of incorporating some new events in an effort to build community among not only our council but the parish as well. We've thought of some new events and would like your input on them as well as the events that we have been running in the past. Please take a moment to either visit the website below or take a picture of the QR code below with your smart phone to be taken directly there!

<https://www.surveymonkey.com/r/PXH5BHM>

Please join the St. Edward Book Group on September 7th from 6:30-8pm as we discuss the September book, Start with Jesus: How Everyday Disciples Will Renew the Church By Julianne Stanz. Everyone is welcome!

If you have questions, email stedfaithform@gmail.com or call the office

PARISH CENTER UPDATE:

In another week or so all the old glass walls will have been replaced with the new windows. Following that will be the vinyl siding on the outside. That will make a big difference in the appearance of the building. Then we will get to working on the problem that prompted this project in the first, replacing the 65 year old heating system that frequently breaks down (happened again last week) and is very expensive to operate and repair. The new ductless split system will have individual remote controls in each too so if one room is being used that is the only room being heated or air conditioned. Currently, when one room is occupied all 8 rooms must be heated. Big savings. Also, we were successful in getting a grant of \$4,375.00 from the power company because of the energy efficient heat and A/C equipment that will be used.
