NATIONAL COMBINED COLLECTION

Today we will conduct the National Combined Collection (NCC) which benefits: The Retirement Fund for Religious, The Annual Appeal for the Holy Father, The Catholic Communication Campaign, and Catholic University of America. Please indicate on your NCC collection envelope how you wish your gift to be used. If you need a gift envelope, extra envelopes are available in the middle of the church. Please support our aging religious, join our Holy Father in charitable efforts to assist victims of war, oppression, natural disasters, and help others in need, connect people with Christ through communication resources, and help provide a Catholic based education to university students. Your generous support is greatly appreciated.

INTERIM MUSIC MINISTER/CHOIR DIRECTOR NEEDED

St. Edward is in need of an Interim Music Minister/Choir Director starting in September, 2021. The applicant should be very familiar with Catholic ritual and have an ability, experience and training to enhance and enrich the service with appropriate music as needed. Hymns for services are selected seasonally by the Music Liturgy Committee. However, as Choral Director this person will be expected to recruit and train cantors, direct an adult choir, recruit and direct a children's choir and recruit members for the funeral choir. He/she will be working closely with the church's retiring Director of Music and current organist.

For information, please call Father Peter at the church office 860-684-2705.

Faith Formation

Fall is quickly approaching! Register now for Faith Formation. Classes for students K-8 begin on Sunday, September 12 at 10:20. (We hope) You will be contacted by email for updates or call the church office.

PARISH CENTER UPDATE:

We are getting closer to the finish line.

The ductless split system is nearly finished and is in "test mode" to assure that there are no leaks in the system prior to closing up the walls. This is also an opportune time to add additional electrical outlet boxes to each room and they have been added. The trench needed for the electrical cable to the outside units is scheduled to be dug 9/7. [Wish it could be sooner, but all contractors are very busy and it is difficult to get them especially for small jobs.] It is estimated that the remaining electrical work will require about a week or two.

Inspection by the town building department will take place this week and then insulation and sheet rock can begin.

How about the new "Saint Edward PARISH CENTER" sign that has been installed next to the front door--looks awesome. If you have not seen it go take a look.
