24TH SUNDAY IN ORDINARY TIME

He summoned the crowd with his disciples and said to them, "Whoever wishes to come after me must deny himself, take up his cross, and follow me. For whoever wishes to save his life will lose it, but whoever loses his life for my sake and that of the gospel will save it." - Mk 8:34-35

INTERIM MUSIC MINISTER/CHOIR DIRECTOR NEEDED

St. Edward is in need of an Interim Music
Minister/Choir Director starting in
September, 2021. The applicant should be very
familiar with Catholic ritual and have an ability,
experience and training to enhance and enrich the
service with appropriate music as needed. Hymns
for services are selected seasonally by the Music
Liturgy Committee. However, as Choral Director
this person will be expected to recruit and train
cantors, direct an adult choir, recruit and direct a
children's choir and recruit members for the funeral
choir. He/she will be working closely with the
church's retiring Director of Music and current
organist.

For information, please call Father Peter at the
church office 860-684-2705.

Faith Formation

Fall is quickly approaching! Register now for Faith
Formation. Classes for students K-8 begin on
Sunday, September 12 at 10:20. (We hope) You will
be contacted by email for updates or call the church
office.

Contact stedfaithform@gmail.com if you have any
other questions.

The 2022 Mass book is open. Please
call the Church office anytime to
schedule your Mass and/or Masses.

PARISH CENTER UPDATE:

It is hard to believe that this is our 11th progress report. So much has been accomplished by our
SUPER contractors in such a short time , especially when you think about all the distractions that they
had to navigate--the worst weather ever, shortages of material, unavailable subcontractors, difficulty
in hiring GOOD help, being held up getting approvals from the Bishop's office among others that we
are not aware of.

Inspections of work in progress have been done by the town inspector which will allow closing up of
the inside walls.

The contractor for heating/ air conditioning is in the process of submitting the required info to Ever-
source that will free up the grant money we discussed in previous reports.

Once the excavating is done outside, [scheduled for 9/7] the final electrical work will begin.

I would suggest that everyone take a few minuets to go look at the renovated building, it is such an
improvement--crisp, clean , modern looking, or maybe I am bias!!!
