27th SUNDAY IN ORDINARY TIME

He said to them in reply, "What did Moses command you?" They replied, "Moses permitted a husband to write a bill of divorce and dismiss her." But Jesus told them, "Because of the hardness of your hearts he wrote you this commandment. But from the beginning of creation, God made them male and female." - Mk 10:3-6

PARISH CENTER UPDATE:

This week has been very productive. Six inches of insulation has been installed in the walls, which will make the Center much more cost efficient to heat and cool [something we never had in the past] and provide for a comfortable environment for all to enjoy.

Sheet rock has been started and will be completed in about a week including the finishing of the seams--often referred to as "mudding".

Our best wisdom says that the Center should be ready for use in about two weeks minus the final painting, that will be done as time permits.

We are keeping our fingers crossed and saying some prayers that all goes well. That being said, this will be our final report. This has been a very rewarding experience. We started with a building that was costing in excess of \$30,000/ year to operate with windows literally falling out of the building and far more issues than we want to remember. We now have a beautiful Parish Center with all new low cost LED lighting, new heating and air conditioning with individual room controls, that will provide many years of prime meeting space at about one half the cost.

Thanks to all our treasured contractors, thanks to Father Peter for his vision, and thanks to all our faithful parishioners for your patients and understanding.
