FEAST OF THE SOLEMNITY OF THE ASSUMPTION OF THE BLESSED VIRGIN MARY

On August 15, Catholics celebrate the Solemnity of the Assumption of the Blessed Virgin Mary. This commemorates Mary, the mother of God, was assumed body and soul into heaven and reunited with her son Jesus.

Purpose: The doctrine of her departure states at the end of her life, Mary was taken body and soul, both physically and spiritually, from Earth to heaven. Our Blessed Mother's body was able to go directly to heaven as it wasn't stained by original sin.

Obligation: Many countries, including all of North America, celebrate this as a Holy Day of obligation. Every culture, from Roman Catholic to the Anglican Communion, celebrates on or around the same day. On these days, all faithful communities are required to attend Mass unless the day falls on a Saturday or Monday.

As the summer days begin to wane and the back-to-school hubbub begins, let us remember Mary's patience and love for her son, Jesus, and the great trust she placed in God. May God bless your family with health, happiness and holiness!

Diocese of Fall River Preparation Process for Adult Confirmation

The diocesan program for those adults seeking to receive the Sacrament of Confirmation is intended to provide catechetical instruction in the faith, as well as spiritual support to compliment the parish in the formation of candidates, who are completing their initiation in the Catholic Church.

Prior to registration, candidates must begin this process by meeting with the pastor to gather canonical documents, determine if there are any impediments to the reception of the sacrament, as well as the desire and disposition of the inquirer requesting the sacrament. Candidates should submit a notification of Baptism to their Baptism in the same church.

Toward the end of the program, pastors should meet with the candidate to reflect on their experience and to verify the suitability of the sponsor, prior to submitting the separate conferral form for reception of the sacrament.

The preparation is a hybrid program, with both virtual and in-person sessions for candidates to attend during the Fall.

We would like to form a choir to sing at the **St. Lawrence 200th Anniversary Mass**. Even if you don't want to make a commitment to a full-time choir and would just like to sing for this very special occasion, we welcome you and your talents. There will be enough practices to have plenty of time to prepare. We welcome all adults, children, male and female voices. We certainly want to make this a very festive celebration. If you are interested in singing in the special choir and hopefully you'll join us forever LOL, you may speak to Fran Gorman before or after the 11:30 AM Mass or you may call her at [401-487-7558](tel:401-487-7558) or Denise Weaver our organist at [508-496-0737](tel:508-496-0737) or email weavertaxi@hotmail.com. Rehearsals will begin in the fall. You do not have to be a parishioner at St Lawrence; you can be a parishioner at Holy Name or St. Francis. Remember, we are a collaborative and we do things together. Those who commit to rehearsals and sing at Anniversary Mass, will receive a complementary ticket to the dinner. *Fr. Mike*

Blessing of Newly Planted Magnolia Trees at St. Lawrence Martyr Church.

All are invited on Saturday, August 28th at 1:00PM for the Blessing of the Newly Planted Magnolia Trees planted in memory of Anthony Gonzalez by the family. Anthony was a long-time parishioner of St. Lawrence and passed away very suddenly in Oct of 2020. The tress replaced the ones on the parking lot side of the Church by the statue of St. Therese.

Have a good week! Stay Safe! *Fr. Mike*

Covid-19 response update

As most of you know, on Tuesday, July 27th, the Centers for Disease Control and Prevention (CDC) announced a change to its mask-wearing guidance and now advises that fully vaccinated persons wear a mask in indoor places, in areas of the country with "substantial and high" transmission of Covid-19. This is to reduce the risk of being infected with the more transmissible Delta variant of the virus and possibly spreading it to others.

Currently, almost all territory of the Fall River Diocese lies in countries classified as either "substantial" or "high" areas of community transmission. In light of this, the Diocese of Fall River is **strongly encouraging all parishioners** to follow the CDC guidance and to wear a mask while attending Mass or any other liturgical celebration unless unable because of a medical condition or under the age of 2. This is particularly important for anyone with a weakened immune system; anyone a risk for severe disease because of age or underlying medical condition; or anyone in a household with someone having these conditions or with someone who is unvaccinated.

The recent uptick in virus transmission in some places is a reminder that the pandemic has not yet passed, and continued vigilance is required. Parishioners are asked to please keep in mind the need for a collective commitment to the overall good of the parish community.

The Diocese of Fall River continues to monitor all Covid-19 advisories and orders by both the CDC and the Commonwealth of Massachusetts and will amend diocesan guidelines on an ongoing basis as needed.
