# Pastor's Column

Dear Parish Family,

I write to you today with good news and a request for assistance. Our 1927 historic church is fast approaching its 100th anniversary, and the hope is to have it repainted in time for a great centennial celebration.

Over the years, Our Lady Star of the Sea has been blessed with a community of devoted individuals who have risen to the occasion for important projects. A group of parishioners moved the 1895 original church from the cemetery to our current campus in 1927. A few decades ago, dozens of volunteers restored the pews in our historic church. In very recent memory, you generously built the new parish church. The time has come for us to repaint the exterior trim of our Historic Church and replace its rusted front doors. It has years of water damage that has caused peeling paint and flaking plaster.

Your families have worshiped the Lord for nearly 100 years in this church. It has served as the site for Sunday masses, baptisms, confirmations, funerals, and weddings, and it is a historic landmark that has been deteriorating over time which warrants preservation. The forest green on the church exterior trim will be painted a deep navy blue, called "Old Navy." This will maintain much of the exterior character of the church we are accustomed to while reflecting the care of our Patroness, Our Lady Star of the Sea. The crosses atop the church will return to their original color of bright reflective gold, and the rusted metal doors will be replaced with wooden ones made of dark oak.

I'd appreciate it if you would consider making a monetary donation, either by check made payable to OLSS, with "Facility Improvement" on the check's memo line or online by going to <https://membership.faithdirect.net/enroll/MD304>. If you opt for Faith Direct, scroll down to the option for a One-Time Gift and write "Facility Improvement" in the notes section to ensure your donation goes entirely to this project. The cost of this project is \$39,320. Let's work together to refresh our Historic Church and renew the faith!

Hail Mary Star of the Sea,  
Father Bob
