Get settled in your pew. Take a deep breath. Pray: "Jesus I pray that Your Holy Spirit will come and move in my heart & in the heart of the priest saying Holy Mass today. Jesus, sanctify us..."

Bring your Bible to church and add notes in the margins when something strikes you in the preaching.

If you have trouble staying focused, use this storyboard of Holy Mass to help you keep your "head in the game" and pray the Mass like never before.

Penitential Rite: A moment to clean your soul at the beginning of Holy Mass. Make room to be filled with God's grace...

- **Bring to mind 1) the wrong you have done & 2) the good you have failed to do.**
- We are all sinners and in need of grace. The good news is that there is a Doctor in the house and His name is Jesus and He came to save you from the mess that you have made.
- Make use of the **spiral-bound book pages 242-254** or the **Source and Summit Book pages 600-603** to examine your conscience. 1 John 8 exhorts us thus: “ If we claim we have no sin, we are only fooling ourselves and not living in the truth. But if we confess our sins to him, he is faithful and just to forgive us our sins and to cleanse us from all wickedness. If we claim we have not sinned, we are calling God a liar and showing that his word has no place in our hearts. **NOTE: The Penitential Rite will wipe away venial sins. Mortal Sins (serious sins) need to be brought to confession.**

Divine Mercy Sunday!

I) Avail yourself to the..

Pope Saint John Paul II, wrote his last and final statement from his death bed that he prepared to be read on (Divine Mercy Sunday), which came to be read the day after his passing. In it he expressed to the world the great importance and the urgency to understand and accept Our Lord's incredible gift of Divine Mercy. He said to all the people of the world:

"As a gift to humanity, which sometimes seems bewildered and over-

- Fr. Dave Pivonka once noted: 'It has been my experience that you can hear the best homily ever given, but if your heart isn't open to receiving it it's not going to make a difference. You could hear the worst homily ever given and if your heart is open, God can change your life.' God works the best in situations when the person speaking and the person listening are both anointed by the Holy Spirit.'

whelmed by the power of evil, selfishness, and fear, the Risen Lord offers His love that pardons, reconciles, and reopens hearts to love. It is love that converts hearts and gives peace. How much the world needs to understand and accept Divine Mercy!"

- This is probably the most powerful Novena we have in the Church, the Indulgence that can certainly be obtained is: **full remission of the temporal punishment due to forgiven sins**

The 3 conditions for receiving the Indulgence are:

- 1) receive Sacramental Absolution in confession at least 20 days before or after Divine Mercy Sunday
- 2) in a spirit that is completely detached from the affection for a sin, even a venial sin, take part in the prayers and devotions held in honor of Divine Mercy
- 3) Receive Holy Communion in the state of grace on Divine Mercy Sunday

2) Blessing of homes during the Easter Season ..

It is a tradition to bless homes during the Easter Season.

If you would like to have your home blessed, please call the parish office and schedule a time Tuesday – Friday between 1-6pm

May the Light of Christ shine brightly in you in the afterglow of Easter

- Every Holy Mass re-presents / re-actualizes Jesus's Passion, Death and Resurrection in an un-bloody manner. It is an event that transcends space and time. He died for everyone: past, present and future. Color in the your "bigness of God meter" (below) and the "Worship Meter" (front cover).... note the correlation

How big is your God?

There is a correlation between your worship of God and the "bigness" of your God. Worship focuses your eyes on God, giving attention to His greatness and bigness - the more you gaze into Him, the bigger He gets. If you walk out of church with a big big God, than you will never be shaken. If you leave Holy Mass and feel like your God is small, take a moment to acknowledge that you didn't put your heart into it and amend to do better next time. The higher the "worship meter" goes, the bigger your God. The Blessed Mother "Magnified" God in her heart. This does not mean she made God bigger objectively speaking, but He became bigger in her heart and mind.
