## The Seven Miracles of Jesus in the Gospel of John

The Seven Signs of John is based on the words that the apostle John writes near the end of his gospel...he says *“Jesus performed many other signs in the presence of his disciples, which are not recorded in this book.*

*But these are written that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name.”(John20:30-31)*

### Changing water into wine at the wedding at Cana (Jn 2:1-11)

He came to take us from the stone cold and empty way of man’s religion onto a living and joyful relationship with him

### Healing the royal official’s son (Jn 4:46-54)

We are saved by grace through faith.

### Healing the paralyzed man at the pool of Bethesda in Jerusalem (Jn 5:1-15)

Shows our own futile works are insufficient to save ourselves. We need Him to save us.

### Feeding the 5,000 (Jn 6:5-14)

Is a demonstration of His supernatural care and provision for those who seek Him.

### Walking on water (Jn 6:16-21)

Shows that because of His miraculous power, we can easily accomplish things through Him that would be all but impossible on our own.

### Healing the man born blind (Jn 9:1-7)

Reveals that if we’ll allow it, He can cause even the lowliest person born spiritually blind to see and believe.

### Raising Lazarus from the dead (Jn 11:1-45)

Is a promise that all who believe in Him will live even though they die, and those who live and believe will never die.

Las Siete Señales de Juan se basan en las palabras que el apóstol Juan escribe cerca del final de su evangelio...dice que *“Jesús hizo muchas otras señales en presencia de sus discípulos, las cuales no están registradas en este libro.*

*Pero estas se han escrito para que creáis que Jesús es el Mesías, el Hijo de Dios, y para que creyendo, tengáis vida en su nombre.”* (Juan 20:30-31)

### Cambio del agua en vino en las bodas de Caná (Jn 2,1-11)

Vino para llevarnos del camino frío y vacío de la religión del hombre a una relación viva y gozosa con él.

### Curación del hijo del funcionario real (Jn 4,46-54)

Somos salvos por gracia a través de la fe.

### Curación del paralítico en el estanque de Betesda en Jerusalén (Jn 5,1-15)

Muestra que nuestras propias obras vanas son insuficientes para salvarnos a nosotros mismos. Lo necesitamos para salvarnos.

### Alimentar a los 5.000 (Jn 6, 5-14)

Es una demostración de su cuidado y provisión sobrenatural para aquellos que lo buscan.

### Caminar sobre el agua (Jn 6, 16-21)

Muestra que debido a Su poder milagroso, podemos lograr fácilmente cosas a través de Él que serían casi imposibles por nuestra cuenta.

### Curación del ciego de nacimiento (Jn 9,1-7)

Revela que si lo permitimos, Él puede hacer que incluso la persona más humilde que nació espiritualmente ciega vea y crea.

### Resucitar a Lázaro de entre los muertos (Jn 11,1-45)

Es una promesa de que todos los que creen en Él vivirán aunque mueran, y aquellos que viven y creen nunca morirán.
