We are responsible not only for our own lives, but for the lives of those around us. It is important that we not only grow, nurture and share our gifts,; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the "Body of Christ". We are called to be dependent on each other and not live in isolation.

The Parish Office will be Closed on Monday, July 5th in observance of Independence Day!
On behalf of Fr. Leandro and the Parish Staff we wish you a very Happy and Blessed Fourth of July!

**Blessing for Independence Day**

There is a saying, "To those whom much is given, much is expected." That saying is from "Uncommon Wisdom of John F. Kennedy: A Portrait in His Own Words." That saying should sum up our thoughts as we celebrate the founding of our country. As we look at our history, we may easily see that much has been given to this country, and many have sacrificed to make sure we have kept those gifts. However, our faith informs us that a gift reaches its ultimate good only when it is given away freely. We have many gifts, and our country has a long tradition of giving many gifts to other nations. Moreover, sometimes it seems as if those gifts are not appreciated. Nevertheless, we continue to give. Let us pray for this great country of the United States of America:

**Prayer for Independence Day**

Dear God,
as we celebrate today with fireworks and festivals,
help us never to forget the reason for our joy.
Help us remember that our rights to life, liberty
and the pursuit of happiness
were signed into our heritage
with the willing blood of American patriots.
Most of all, help us remember
that the rights of all people
are more than words on a document,
and that all people have rights
because you have given us the dignity of human life.
Grant freedom to all,
and give us the strength to protect the rights of others.
Amen.

***The Church of St. Joseph the Carpenter and the Roselle Knights of Columbus*** will host a golf outing on (Monday) ***Sept. 27 at Galloping Hill Golf Course in Kenilworth.***

The fundraiser for Council #3946 will feature an 18-hole scramble format with a shotgun start at 1 p.m., following a BBQ lunch at 11:30 a.m. A post-golf dinner will follow at St. Joe's in Roselle at 6:30 p.m., when prizes will be awarded.

You can participate and help make the event a success in a variety of ways, including playing, sponsoring or donating. A foursome costs only $600 (or $160 for an individual golfer). Several sponsorship opportunities are still available, including hole sponsors.

To register, sponsor or donate, please contact Rich Biddulph (732-688-5045) or Joe Skrec (jskrec@hotmail.com).

**14th Sunday in Ordinary Time**

It's all so ordinary that we can easily miss it. The seagulls hunting and diving for mollusks at the beach offer a display of determination and precision as they gather their food for the day. It's simply what these creatures do. Yet, there's a magical artfulness and skill to their work that speaks volumes about the One who breathed life into their being. This is pretty much the way it is with God's presence.
God comes in common ways through common things and ordinary people. Sadly, we are so engulfed in our little worlds of order and ideas to notice the beauty and wonder of it all. Many have numbed themselves to the Divine spark at the essence of all life because that's just the way it is. What's so special about it? A sunset is a sunset and a seagull is a seagull. That's precisely what they thought about Jesus too. After all, isn't he just the carpenter's son?
What merit can his words possibly have? If we're looking for God to come in an event that is so dramatic and intense that it knocks our socks off, then think again. When pondering God's relationship with His people and God's action in our lives, we have to go back to the stable and the recurring, creative, unending power of God's presence. It was a quiet, run of the mill kind of night. There was nothing spectacular or extraordinary. To the naked eye, a woman gave birth to a child and there wasn't anything extraordinary to see.
We have a hard time understanding God's ordinary-ness. Jesus grew up in an ordinary town, had neighbors and did normal human things. Perhaps that's why we don't always like the Gospel. It doesn't dazzle us with extraordinary things but simply challenges us to take a different look at our ordinary stuff. That makes us uncomfortable. We prefer things as they are. Our lack of faith can even cause us to take offense at what Jesus says and does, dismissing it as folly.
God's life-giving presence continues to sustain that seagull in flight and keep all things in being regardless of whether we have the faith to see and understand this. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be hardened and blinded to what God is doing or desiring to do.
While God continues to do what he has done for all eternity, faith is needed for God's presence to bear fruit. The blinders we wear and the expectations we bring to life can often prevent us from seeing graced moments that radiate with God's graceful presence. They also prevent God's transforming, healing, and hope filled vision for our world from being realized. Without faith, God won't be able to do much for us either.
