*Those we love don't go away,
They walk beside us every day;
Unseen, unheard, but always near,
They are always in our hearts, so dear.*

*January 1 is not a Holy Day of Obligation this year.
It is the regular weekend Mass schedule.*

The Real Reason for Joy

In his great book, *Introduction to Christianity*, Cardinal Joseph Ratzinger, (Pope Benedict XVI) wrote the following: “*Christian belief is not merely concerned . . . with the eternal . . . [that which is] completely outside the human world and*

time; on the contrary it is more concerned with God in history, with God in human form. By seeming to bridge the gulf between eternity and time, between visible and invisible, by making us meet God as a human. . . [Christian belief] knows itself as revelation. Its claim to be revelation is indeed based on the fact that it has, so to speak, introduced the eternal into our world.”

“No one has ever seen God; the only Son, who is in the bosom of the Father, he has made Him known” (John 1:18) Over time, the Church came to comprehend the profundity of this pronouncement: If, indeed, God assumed a fully human nature in the person of Jesus, then all of human nature is changed: God has become one with us.

To clarify this, we should consider the meaning of my birth or your birth: When either of us came into the world, it went without saying that we shared the nature which is common with all human beings. We inherited from our parents, and those before them, the human condition, including the problem of sin and corruption leading to death.

But the Baby Jesus in the Manger is not just another cute baby for whom we can grant this mere “sharing.” Human nature is taken over as a whole and “redeemed” or “retrieved” back into the holiness of God which was lost through sin. Of course, Jesus is a particular baby who is fully human; but he is also fully God. He pre-existed **in God as God**, (“*consubstantial with the Father*”).

Did Jesus enter the world of “time” as a “seed” to combine with an “ovum” in Mary’s womb? I have never heard it put in such vivid, biological terms; but we proclaim that Jesus’ full humanity comes from Mary, and Mary “did not know any man,” in such a way as to conceive a baby. And here is the reason for all those Christmas Cards and decorations proclaiming “**Joy**,” and “**Peace on Earth**,” and “**Tidings of Gladness**.” Our full human nature is re-created into the likeness of the “incarnate” Son of God!

The modern way of thinking has increasingly moved toward rejecting the idea that there are “universals.” You have to believe that there is a single “human nature” which we all share as males and females. Since this nature was damaged by the sin of our original parents and, subsequently, by our own sinfulness, divine intervention was necessary to save us from the ultimate product of sin, death. Jesus explicitly prescribed Baptism as the entry point into this new life: “*No one can enter the Kingdom of God without being born of water and Spirit*, (John 3:5)” And, of course, the Eucharist is the spiritual “bread” for the journey to “eternal life, (John 6:47-51).

Holy Hour for Vocations

Each Wednesday, from 9:30am to 10:30am we will have a Holy Hour for Vocations at OLV. Please consider joining us as we pray for an increase in vocations to the priesthood and religious life in the Diocese of Fall River.

Gathering Grandmothers

The Gathering Grandmothers meet each Friday at OLV at Noon. We welcome all new members. Please join us.

Faith in Action Opportunity: Wedding Coordinators, A Joyful Ministry!

We are happy to offer a wonderful, rewarding ministry opportunity! We are looking for a few people to join our wedding coordinator ministry. You'll work with couples on a one-on-one basis a couple weeks before their wedding, and assist at their rehearsal and wedding day. Please contact Kelley, kjs@olvparish.org for information.

Cape Cod Hospital: Clergy Visit

There is a priest on call at all times at Cape Cod Hospital. If someone you love is ill, and in need of a priest, the fastest way to contact the priest on call is to ask the patient's nurse to page the priest on call or to call the Cape Cod Hospital switchboard and ask to have the Catholic Chaplain paged. If it is not an emergency, you may also call the office at 508-862-5287. Please do not call local parishes looking for a priest as this is likely to lead to confusion and delay. Remember: Sacraments can only be given to the living, so call the Chaplain as soon as possible.

Weather Cancellations

During the week, if Barnstable schools are cancelled, Mass and all activities, whether parish or community sponsored, are cancelled as well.

If schools are delayed, morning Mass is cancelled, but the Parish Office will be open as soon as we can safely travel. All morning events, parish or community event, held in the Church or Parish Center will be cancelled; afternoon activities will be held.

On the weekends, we will make the decision as early as possible.

In any case, please use your best judgment on travel, since conditions can change rapidly.

We will post closings on the TV on WCVB, and on the radio stations WXTK, WCOD and Cool-102, as well as WQRC, WOCN, WKPE, and capecod.com. If we are able, we will also post on Facebook as well as our websites.

Cape Cod Caring Cards...For Your Groceries!

Have you wondered what our dedicated volunteers are selling after Masses? Do you food shop at Shaw's or Stop and Shop? How about dinner out at the 99 Restaurant? Coffee and donuts at Dunk'n? These are cards that you can purchase for face value and use when you food shop or eat out. 5% of the cost of the card is donated directly to Housing Assistance Corporation's Project Prevention Program. So, if you food shop or eat out, why not buy a card and use it for your groceries or purchases? By doing so, you are helping others in need...*at no additional cost to yourself!* **Someone is needed to stay for a short while and sell cards after the 9am Mass at OLV.** If you can volunteer a small amount of your time to help with this important ministry, please contact: Paul Nielsen, 508-771-2393. *Thank you!*

The Nativity of the Lord

Take a moment to contemplate the symbols of the season. The **crèche** tells us the Gospel stories: first from Luke, which details the human birth in a lowly stable and the angels' message to shepherds; and later from Matthew, which describes the arrival of Magi who signify that God's salvation

extends to all. The **angels** stand as heralds of the good news, an emblem for each of us on this solemn feast of our own duty to spread the message that Christ is born and saves us from our sins. The **tree** stands as a symbol of life, its green branches unfading even in the winter cold, just as God's life remains in us even though our human form should die. The **wreath** made of evergreens reminds us that God is one, without beginning or end. The **candles** recall the birth of him who is forever the Light of the world. Today, we celebrate the fact that God came to earth as a beautiful,

innocent infant who rejects no one. We rejoice this day in the birth of Christ! And tonight, we remember that Jesus Christ came into this world quietly, humbly, and gracefully, an example of how we should live our lives.

Pavers For St. Clare's Garden

The St. Clare's Memorial Peace Garden at OLV was dedicated in memory of Mary P. Lees. St. Clare was a beautiful Italian noble woman who became the Foundress of an order of nuns now called Poor Clare Sisters. When she heard St. Francis of Assisi preach, her heart burned with a great desire to imitate Francis in serving God by living a poor humble life for Jesus. So one evening she ran away from home, and in a little chapel outside Assisi, gave herself to God.

Statues of both St. Clare and St. Francis are installed in the garden. Pavers in the Garden can be purchased "In Honor of" or "In Memory of" a loved one. Consider purchasing one as a thoughtful gift. Pavers are \$125 for 6x6 size and \$150 for the 6x9 size. Donation forms can be filled out in the OLV Parish Office during normal business hours. We hope the garden serves as a place for quiet reflection and prayer.

**A Few Weeks Left.....
Have You Donated?**

Thank you to all who responded. We "Appeal" to your continuing generosity and support to help our parish meet its responsibilities. The Appeal will run until the end of December. Donations may be made by check, credit card or pledge. Annual Appeal envelopes can be found in the pews and at the doors of the church. Thank you!

FEAST OF THE HOLY FAMILY
OF JESUS, MARY, AND JOSEPH**

Bless the children

Holy families aren't necessarily picture-perfect. But they are faithful and consistent in their values and goals.

Like Mary and Joseph and biblical parents before them, holy families consecrate their children early and often to the care of God. They do this by baptizing them and seeing to their sacramental preparation. They do this by praying for and with their little ones. They provide them a religious education and share faith-filled practices of compassion and charity. All the children in our lives look to us for love and acceptance, guidance and Christian example. Teach the children well.

“Once the child is weaned, I will take him to appear before the LORD and to remain there forever.”

FEAST OF JOHN, APOSTLE AND EVANGELIST
He lived to tell the tale

John the Apostle is credited with being the author of the Gospel of John. He is also believed to have been the “Beloved Disciple” of Jesus mentioned in that gospel and is presumed to have outlived the other apostles, perhaps being the only one to die of natural causes rather than martyrdom. Imagine being the last survivor, and the heartache he endured on losing his peers to violent deaths for their faith. Perhaps it was John’s job to live to tell the story—“that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in his name”—as he says in his final line. Take John’s mission to heart and embrace his good word today. “Then the other disciple also went in, the one who had arrived at the tomb first, and he saw and believed.”

FEAST OF THE HOLY INNOCENTS, MARTYRS
Children deserve protection

Nowadays when we think of Christmas pageants, we envision adorable children in bathrobes dressed as shepherds. But in the Middle Ages, religious pageants were a serious business. The whole community gathered to enact mystery plays that told the stories of birth, death, resurrection, and the lives of the saints. It’s from such a mystery play that we get the haunting words and melody of “The Coventry Carol”—a song about King Herod’s slaughter of the Holy Innocents that asks plaintively, “What may we do to preserve . . . this poor youngling for whom we sing?” Pray today for children who continue to suffer and face certain death without our help.

MEMORIAL OF THOMAS BECKET, BISHOP, MARTYR

Choose God

Everyone must at times make the choice of serving God or something less. Today we remember Saint Thomas Becket, bishop of Canterbury. Thomas was faced with such a dilemma when his friend the king, Henry II, continuously tried to interfere with church matters. Allowing the king to interfere with the church would have allowed Thomas to be in the king’s good graces. Instead, Thomas chose to serve God above anything and anyone else, even at the cost of martyrdom. “When is constancy required,” Thomas writes, “except under persecution. Are not friends then proved? If they always yield, how can they ever succeed? They must, one time or other, make a stand.” “And you yourself a sword will pierce so that the thoughts of many hearts may be revealed.

Take your time to absorb Christmas

Today we continue as a church to honor the feast of our Savior’s birth. It is day six in the octave of Christmas—the eight-day liturgical focus on the birth of Christ. The entrance of the Christ into human history is such a significant event that the church notes its magnitude by keeping our gaze on it through the specified readings, psalms, and prayers during these eight days. Take a moment today to allow the wonder of God-among-us to continue to sink in.

“She gave thanks to God and spoke about the child to all who were awaiting the redemption of Jerusalem.”

Out with the new, in with the old

The end of the year gives us pause to reflect on the past and change for the future. Typically, we find something new to embrace or resolve to do. But if it’s true that there’s really nothing new under the sun, then perhaps we should look to the old! This is exactly what the church does, as it moves into the new year, not with any newfound epiphany, but instead with a commitment to the very old-school value of peace. As we anticipate the World Day of Peace tomorrow, January 1, what are some deeply held and long-standing values that you would like to deepen during the coming year? How might you go old school?

“In the beginning was the Word.”

SOLEMNITY OF THE BLESSED VIRGIN MARY, THE MOTHER OF GOD; WORLD DAY OF PEACE

Rocking with Mother Mary

People in every age have their particular way to celebrate the new year. These days we might change old eating habits

to be healthier; get on track financially; spend more time with family. But maybe this year it could be about what young Catholics refer to as "rocking with Mary," that is, getting to know the mother of Jesus on a deeper level. Understanding her courage, strength, and faithfulness can help us realize our own potential as bearers of the Good News. On her feast day and in the days ahead, reflect on Mary and strive to imitate her in bringing Good News to the world.

“And Mary kept all these things, reflecting on them in her heart.”

From Rome With Love

The Birth of Jesus brings us the good news that we are loved immensely and uniquely by God.

"Remembering That It Happened Once"

Remembering that it happened once,
We cannot turn away the thought,
As we go out, cold, to our barns
Toward the long night's end, that we
Ourselves are living in the world
It happened in when it first happened,
That we ourselves, opening a stall
(A latch thrown open countless times
Before), might find them breathing there,
Foreknown: the Child bedded in straw,
The mother kneeling over Him,
The husband standing in belief
He scarcely can believe, in light
That lights them from no source we see,
An April morning's light, the air
Around them joyful as a choir.
We stand with one hand on the door,
Looking into another world
That is this world, the pale daylight
Coming just as before, our chores
To do, the cattle all awake,
Our own frozen breath hanging
In front of us; and we are here
As we have never been before,
Sighted as not before, our place
Holy, although we knew it not.

SEVERE FATIGUE? CHRONIC PAIN? TAKE YOUR LIFE BACK!

This is what it's like to suffer from
Fibromyalgia.

It's symptoms make everyday life incredibly difficult and daily tasks nearly impossible. And more often than not, these symptoms are only made worse because so many practitioners find it difficult to understand and even more troublesome to treat. It is characterized by widespread pain in muscles, and tissues rather than inflammation of the joints, muscles and tissues.

Symptoms are masked with over-the-counter medications. Prescription pills only provide temporary relief and more often than not, fail to work at all. And the worst case scenario, you're completely disrespected or dismissed by medical professionals who don't get Fibromyalgia or don't care.

Some medical professionals will suggest dietary changes or encourage you to exercise. Perhaps they instruct you to 'drink more water' as if more water is going to stop you from feeling as though you've been hit by a freight train everyday.

At CAHM you no longer have to suffer! At CAHM there is a Acupuncturist that has a proven solution for fibromyalgia pain!

Do you suffer from CHRONIC PAIN?
Does the pain seem to have a life of its own?
Does the pain seem to travel?
Are you plagued by SEVERE FATIGUE?
Are you afflicted with RECURRING HEADACHE or MIGRAINES?
Are you tortured with feelings of TENDERNESS and/or SWELLING?
Do you experience NUMBNESS or TINGLING in your arms and/or legs?

Collin Campbell Lic.Ac. uses non invasive, non pharmaceutical, integrative therapies to RELIEVE his patients of Fibromyalgia symptoms, reducing various forms of pain and inflammation, stimulating the release of endorphins and offering much needed effective symptom relief for Fibromyalgia.

He skillfully layers therapies such as ATP Resonance BioTherapy™ and non pharmaceutical therapies for amplified and lasting results.

Imagine relief!
Imagine increased energy!
Imagine finally having a Doctor who genuinely listens to you, understands your condition, and can develop a personalized, comprehensive treatment plan.
