Medical Decisions Near the End of Life—November 7

What happens if one is unable to make decisions in the hospital? How aggressively must we treat illness near the end of life? When is it ok to turn down burdensome treatment? Is turning down treatment killing? Or merely letting nature take its course? How do we consider the sanctity of all human life, but also our eternal home in heaven when we make medical decisions? As all come at some point to the end of life, how do we approach it well, with particular focus on the modern medical environment?

Fr. Greg Caldwell will offer a presentation on Thursday, November 7 at 6:30PM at St. Monica, to consider these issues. The practical and legal realities, including advanced directives, will be considered as well as moral and spiritual considerations in light of our faith, knowing everything we decide is towards The Greater Glory of God, the Salvation of Souls. All are welcome to attend. (Funeral Planning will be held at St. Augustine Church on November 14)

All Saints Day and All Souls Day

All Souls Day: Is not a Holy Day of Obligation. There will be **one mass only** at St. Monica on Saturday, November 2 at 9:00am.

Our annual parish Thanksgiving Dinner for Seniors and those who will be alone on Thanksgiving Day will be on held on Sunday, November 10, in the school cafeteria beginning at noon. NEWS FROM The Inland See

September 28–October 4, 2024

FOR THE DIOCESE OF BURLINGTON

Respect Life *Update*

As part of Respect Life Month this October, the Diocese is seeking to increase awareness of the various healing ministries available for those who have suffered loss, especially of children, as well as highlighting the dignity of every person of any ability. The Diocese desires to walk with and welcome all to encounter our Lord Jesus Christ.

Toward that end, Bishop John McDermott will be celebrating two special Diocesan Masses during the month of October.

Remembering Our Precious Little Ones, a Memorial Mass and Prayer Service for those who have experienced the loss of a child before or after birth, will be celebrated on **Saturday, October 5, at 10:00 a.m. at St. John Vianney Church in South Burlington**. Mass will be followed by a Prayer Service in the adjacent Resurrection Park Cemetery. Afterward, a light lunch reception will be held in the parish hall for those who would like to attend. Please see contact information below to RSVP for lunch.

This Mass and Prayer Service will not only affirm the dignity of babies lost in miscarriage, infants, and children of any age, but also serve as a consolation to the mothers and fathers who grieve the deaths of their precious children.

The second special Mass is a **Sensory-Friendly Mass Welcoming Individuals with Disabilities** that will be celebrated on **Sunday, October 27, at 10:00 a.m. at the Cathedral of St. Joseph in Burlington**. This regularly scheduled Sunday Mass will have several sensory-friendly adaptations, including dimmer lighting, softer music, and an ASL interpreter. (At the time of this writing, we are attempting to secure an interpreter). The Mass will be followed by a reception downstairs in the parish hall, no RSVP necessary.

We invite those with physical, intellectual, or developmental disabilities, and their parents or caregivers, to join us in worship at this special Sunday Mass. This Mass will affirm the dignity of persons with disabilities, as well as raise awareness about how parishes can implement adaptations to welcome Catholics of all abilities.

Both Masses are open to all. For more information, please contact Respect Life Coordinator, Eileen Haupt at ehaupt@vermontcatholic.org or 802-658-6110, x1201.
