### St. Joan of Arc | May 30

St. Joan of Arc (1412 – 1431) has had her story told throughout history through many books, movies and plays. She was born in the village of Domrémy, near the province of Lorraine, to a French peasant family. At a young age, she began to experience visions and voices, which were later identified to be of St. Michael, St. Catherine of Alexandria, and St. Margaret of Antioch. At the age of 13, all three saints told her that she was to drive the English from French territory, and that she must bring the Dauphin to Reims for his coronation. Trusting in God, she did as she was told.

During the Hundred Years War, St. Joan of Arc led French troops against the English and recaptured the cities of Orléans and Troyes. Captured near Compiègne the following year, she was sold to the English and placed on trial for heresy and witchcraft, eventually being found guilty and burned at the stake in Rouen.

St. Joan of Arc was canonized by Pope Benedict XV on May 16, 1920, and is the patron saint of military members.

### Did you Know?

#### Why do we pray the Rosary?

Pope Francis and Cardinal Sean O'Malley asked us to pray the rosary when the pandemic started, and the Blessed Virgin Mary at every approved apparition has urged us to pray the rosary. Why? Because it is a very powerful prayer. Many Saints and Popes have asked us to say the rosary to avert disasters and war. Bringing God's peace to us through the Queen of peace. The rosary is not just verbal prayer, the key is its meditative prayer. We meditate on a different mystery on each decade of the rosary. They are all about Jesus' life. From the Annunciation, Jesus' birth, life and ministry, His passion, resurrection, ascension, and start of His Church.

The Hail Mary's become the background for us to meditate on the scene, visualizing that mystery of Christ's life. Everything about the rosary points to Jesus. We are encouraged by the Church to meditate on the mysteries of Jesus, and saying the rosary does exactly that. In the Catechism #2708 it states, "meditation engages thought, imagination, emotion and desire. This mobilization of faculties is necessary in order to deepen our convictions of faith, prompt the conversion of our heart and strengthen our will to follow Christ."

Mary is our mediator. You may say I thought Jesus was the only mediator, and you would be right. But as it explains in the Catechism #2674 "Jesus, the only mediator, is the way of our prayer; Mary, his mother and ours, is wholly transparent to him: she shows the way", and is herself "the sign" of the way, according to the traditional iconography of East and West. Praying the Rosary therefore is not just simply about reciting prayers. It involves reflecting on the grace of God. Praying is a powerful act that lets us develop and strengthen our relationship with God and the Rosary offers the same beautiful reward. By praying the Rosary, we meditate on the events in the life of Jesus Christ and this lets us know God more.

This week let's start the four-part series, "The Shroud of Turin."

The first episode is, "The Silent Witness". This film broke box office records when it opened up in London in 1978. Kenneth More narrates what became the most successful film ever made on the subject, winning a British Academy Award and many other international prizes. This film greatly expanded interest in the Shroud worldwide.

This week let's watch the movie, "The 13th Day." In a world torn apart by persecution, war, and oppression, three children in Fatima, Portugal, were chosen by God to offer an urgent message of hope to the world. Based on the memoirs of the oldest seer, Lucia Santos, and many thousands of independent eye-witness accounts, The 13th Day dramatizes the true story of three young shepherds who experienced six apparitions of Our Lady between May and October 1917, which culminated in the final prophesied Miracle of the Sun on October 13.

## Setting Our Hearts Aflame

### Memorial Day Musings

One of my favorite things to do is to wander about in a cemetery and reflect upon the lives of those buried there. I ask who they were... what were their lives like... any family left behind? When I see a flag or a veteran's marker I make it a point to mentally thank them for their service. When I was in high school I was a member of the band and we would march in the parade to Central Cemetery and Taps would be played and then the haunting echo of Taps from another distant point in the cemetery. The military veteran honor guard would rupture the silence with a thunderous 21-gun salute. I would wonder how many buried in the cemetery died in service to our country and to us. They died for our freedoms— freedom to worship, freedom to speak, freedom to enjoy happiness, freedom for our liberty. They now enjoy the ultimate freedom as they are with Jesus now.

Some of these freedoms we very much enjoy on Memorial Day Weekend. In my family it was traditional to lay flowers on graves, watch (or march in) the parade and gather with extended family to a day of family fun at Lincoln Park in Dartmouth. We would eat cold fried chicken, potato salad, drink tonic (nowadays known as soda!), and eat M and M cookies and Hello Dollies. I would play miniature golf with my grandma while I, my brother and cousins would ride a swinging cage to see who would go higher and higher (I never made it very high and would become dizzy and ill!). As kids we enjoyed every minute of these family traditions and as adults we have many happy memories to look back upon. My grandfather served in WWII, in the Philippines, and was the mainstay of our Memorial Day traditions. Without him and his comrades, many of whom perished in the Philippines, we may not have had the freedoms to enjoy getting sick on rides, eating ourselves silly, and relish in the joy of family every Memorial Day!

As we mark the unofficial beginning of summer this weekend please take a little time to thank God for those who have given their lives in defense of this country and in the defense and protection of those in less fortunate areas of the world. Thank God for our freedoms that we continue to enjoy.

Peace and hope be with you, Holly
