SAINT BERNADETTE CHURCH

302-398-8269

109 DIXON ST., HARRINGTON, DE 19952

From the Administrator's Desk

Dear Fellow Saints-in-the-Making,

Greetings in Christ Jesus the Lord!

As Fr. Giamello is serving our service personnel in the Middle East, I have been given the great privilege by Bishop Koenig to have administrative oversight of the parish of St. John the Apostle / St. Bernadette until such time as Fr. Jones begins his pastoral and administrative ministry at the parish. It is with great joy that I serve you as well as maintain my pastoral responsibilities at St. Jude the Apostle Parish.

I believe the Holy Spirit has inspired this joint responsibility as John and Jude both were selected to be among the Twelve, and so knew one another as they followed Jesus as His disciples and were sent by Him as His chosen Apostles. And St. Bernadette was visited by Our Lady of Lourdes, Mary, who is Queen of the Apostles.

How good our good God is!

In this weekend's Gospel, we hear Luke mention specifically his motivation in composing the Gospel that bears his name. He writes to a Gentile audience and desires to write down the events of Jesus Christ in a "orderly sequence" for the spiritual well-being of his readers. How Luke's Gospel has changed the hearts of many and revealed to them the Good News of the glory of the Lord Jesus Christ!

Though we are not evangelists, we nevertheless do have the capacity—and responsibility—to share such events of our Savior Jesus with others, especially how He makes a difference in our life. Nothing is more convincing than personal witness. It is why St. Luke compiles the testimony of personal witnesses who walked and spoke with Christ the Lord.

One of the ways of sharing this difference with others is by writing a note to someone who has made a difference in your life and how they have, therefore been like Christ. Also, please consider writing such a letter to Fr. Giamello and placing it in the baskets at church or sending it to the office. I will compile them and forward them to him as a monthly care package while he is away. I am certain that like the good Theophilus to whom St. Luke addresses his Gospel, Fr. Anthony will be filled with joy to hear from his beloved parishioners.

May God bless you always.

Fr. Lewis, Administrator

Religious Education News

Classes are going as well as can be with our program not doing face to face classes. If you have not heard from your child's teacher, please contact the RE office. Next week we will decide how we will be doing classes in

February, continue to watch for announcements.

**We have about 25 families that still owe fees for religious education. Please try and get those fees paid as soon as you can.

We were hoping to do a fundraiser in February for our religious education program. I want to make sure that we are up and running face to face class before we start our fundraiser. We need

more dividers in the hall for our upper-level classes. Dividers and supplies will probably run around \$3,000.00. Two years ago, we sold the World's Greatest Chocolate and made just about \$3,000.00. So, we are hoping to do that again this year. Be on the look out for information about our fundraiser in February

Our Confirmation this year will be postponed until September.

Continue to watch for our new date. Reconciliation for our Second

Graders has been scheduled for February 26, and we will continue to monitor our COVID numbers to see if this will continue as scheduled. Please continue to pray for our students as they prepare for the sacraments.

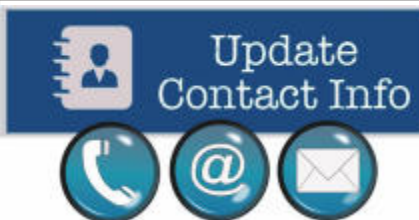

Due to COVID our Catch-Up class has not been scheduled. Please watch for further announcements for this class and when it will start.

THE CHURCH IS BACK IN ORDINARY TIME, BUT EVERY DAY IS EXTRAORDINARY. A GIFT FROM GOD, AND CAN BE AN OUTBURST OF GOD'S GRACE AND MERCY.
TIMOTHY CARDINAL DOLEY

"I Have Hope Again."

Local resident, Carl P. had been experiencing the painful effects of Peripheral Neuropathy, "my feet and legs were extremely painful and my doctor told me there was nothing they could do. That I would have to take Gabapentin for the rest of my life." Then he went to see acupuncturist, Ashley Adams.

Peripheral Neuropathy is the pain, discomfort and numbness caused by nerve damage of the peripheral nervous system. Carl explained that daily tasks like opening doors and using the bathroom were overwhelmingly painful. "How can you live for the next 20 years when you don't even want to get out of bed to do simple things?"

He was experiencing the burning, numbness, tingling and sharp pains that those suffering with neuropathy often describe. "The way that I would describe it, it's equivalent to walking on glass." Carl hadn't worn socks in five years and was wearing shoes two sizes too big so that nothing would 'touch' his feet.

Unfortunately Carl's story is all too familiar for the over 3 million people in the U.S. suffering from Peripheral Neuropathy.

If you are unfortunate enough to be facing the same disheartening prognosis, you're not sleeping at night because of the burning in your feet, you have difficulty walking, shopping or doing any activity for more than 30 minutes because of the pain.

You're struggling with balance and living in fear that you might fall. Your doctor told you to "just live with the pain" and you're taking medications that aren't working or have uncomfortable side effects. Know that there are options.

Fortunately, three months ago, Carl read an article about DelMarVa Acupuncture and the work being done to treat those suffering from Peripheral Neuropathy without invasive surgeries or medications. He can now share how significantly his life has been changed!

"Now when I go to bed at night I don't have those shooting pains. I don't have that burning sensation. I don't have pain coming up my legs," Carl enthusiastically describes life after receiving treatments. "I can comfortably wear socks and shoes and I can enjoy golfing again!"

Ashley Adams, founder of DelMarVa Acupuncture & Wellness Center, is using the time tested science of Acupuncture combined with technology originally developed by NASA that assists in increasing blood flow and expediting recovery and healing to treat this debilitating disease.

DelMarVa Acupuncture uses the most cutting edge and innovative integrative medicine. Specializing in chronic pain cases, specifically those that have been deemed 'hopeless' or 'untreatable', she consistently generates unparalleled results. What was once a missing link in senior healthcare is now easily accessible to the residents of Milford.

If you've missed too many tee times because of pain or you've passed on dancing along to songs of your youth because you're afraid of falling, it's time to give yourself a new opportunity.

It's time you let your golden years, BE GOLDEN!
