November 8 ~ Thirty-second Sunday in Ordinary Time
The parable in today's gospel points out the tragedy of unpreparedness. With all the restrictions the pandemic has put on us and the pressures it is causing in daily life, we may have let our spiritual lives take a back seat, or let go of them completely. It is not that we don't want to pray or go to Confession, or attend Mass. We know the difference it makes when we do take time to prepare our hearts and draw close to God. Don't let the pandemic deter you from paying attention to your faith – take time in prayer this week so you are prepared for His coming.
