STATIONS OF THE CROSS

at St. Francis of Assisi Church

Please join us all Fridays in
Lent at 7:00 p.m.

LENTEN DISCIPLINES OF FASTING & ABSTINENCE

Catholics in good health ages 18 to 59 are required to fast and to abstain from meat on Ash Wednesday and Good Friday. Fasting consists of eating only one meal, with the possibility of two smaller snacks that do not add up to a single full meal. Catholics age 14 and older are to abstain from meat on all Fridays in Lent.

Next Weekend's Second Collection will be for

Ukraine:

The Catholic Relief Services (CRS) Collection will be held on March 26, 27. The CRS Collection is an opportunity for you to help improve the lives of the most vulnerable people around the world and here in the United States. Your support funds organizations dedicated to aiding people affected by war and natural disasters, migrants and refugees in need of material and legal assistance, and people worldwide whose livelihoods are impacted by changing political and environmental conditions. When you support the collection, your prayers are put into action and become a sign of solidarity and neighborly love for our brothers and sisters.

A Moment for Grace A Prayer for Refugees

God of our Wandering Ancestors,
Long have we known That your heart is with the
refugee: That you were born into time

In a family of refugees

Fleeing violence in their homeland,

Who then gathered up their hungry child

And fled into alien country.

Their cry, your cry, resounds through the ages:

"Will you let me in?"

Give us hearts that break open

When our brothers and sisters turn to
us with that same cry.

Then surely all these things will follow:

Ears will no longer turn deaf to their voices.
Eyes will see a moment for grace instead of a threat.

Tongues will not be silenced
but will instead advocate.

And hands will reach out
working for peace in their homeland,
working for justice in the lands
where they seek safe haven.

Lord, protect all refugees in their travels.

May they find a friend in me

And so make me worthy

Of the refuge I have found in you. AMEN

OVERCOMING DISASTER In Bangladesh, cyclones and other natural disasters are increasing—destroying farms, homes and more—making it difficult for people like Noornobi to earn a living and support their families. But Noornobi has learned new techniques to protect his land and income, enabling his niece and nephew to go to school. How can you care for creation to help the planet and our global family? Visit crsricebowl.org to learn more.

Would you like to learn how to pray the rosary and its' sacred mysteries? St. Junipero Serra Parish invites you along with one of our parishioners, Allison, to learn to pray the Rosary. All are invited regardless of your background or experience, the only requirement is to bring your heart to your Mother in heaven so that she can present your prayers to Jesus. *If you are interested please call the rectory (860)644-2411 and ask for Ginger at ext: 101.*

Prodigal Son

"At least they are at my house." Is a very popular phrase to hear amongst parents of teens. Sometimes it's in the reasoning for getting a swimming pool or a ping pong set. Other times, you hear it in their leniency towards behavior that they know is not right to allow.

In the story of the prodigal son, the son goes away and squanders everything on sinful pleasures. He goes away from his father, and more than likely his father was worried at home, since his son was not there with him. But reflecting on this truth, one can wonder what would happen if the father had afforded the son leniency to sin in order to keep his son home.

If the father in the prodigal story had done that, would the son have ever found himself so low, feeding off the food of the pigs? Would the son have ever reflected on his life and the pain he was causing himself and his family? Would the son have ever repented and been forgiven? Would there have ever been this good reason for rejoicing?

I remember a priest started his homily this way one time. *Why does everyone when they read that story think they are the good son?* And I chuckled to myself, because I always got hung up on the good son. *Why doesn't anyone throw him a party? Not fair!*

The priest went on to say, in life we are sometimes the good son who is the father's peace, but maybe not acknowledged. Sometimes we are the prodigal son who has strayed and must be forgiven, other times we are the father, who must embrace and forgive the repentant son.

I think as parents we should all look at ourselves as the father in that story. The father said not in my house. But when you are ready to repent, I will throw you a party and forgive you. And for our sons and daughters who are already living good and holy lives...*Can someone please throw them a party!*

CCC1439 *The process of conversion and repentance was described by Jesus in the parable of the prodigal son, the center of which is the merciful father: 37 the fascination of illusory freedom, the abandonment of the father's house; the extreme misery in which the son finds himself after squandering his fortune; his deep humiliation at finding himself obliged to feed swine, and still worse, at wanting to feed on the husks the pigs ate; his reflection on all he has lost; his repentance and decision to declare himself guilty before his father; the journey back; the father's generous welcome; the father's joy - all these are characteristic of the process of conversion. The beautiful robe, the ring, and the festive banquet are symbols of that new life - pure worthy, and joyful - of anyone who returns to God and to the bosom of his family, which is the Church. Only the heart of Christ who knows the depths of his Father's love could reveal to us the abyss of his mercy in so simple and beautiful a way.*
