GOD WINKS

God speaks to us in a myriad of different ways, but most clearly when we are before Him in the Blessed Sacrament. One such time was sent to me by a parishioner and took place in the Chapel right here at Saint Margaret Mary. May it be an invitation to each one of you, to visit Jesus at our Parish Chapel.

One encounter I had was in our very own little chapel. I often stop there to pray for a few moments. This one time I went up specifically to thank God for a particular situation in which I felt he must have intervened to help me. I had not been aware of a serious problem and there was no way I would have ever known about it until it was too late, except for a freak communication that put me onto it. So I was amazed and grateful. The amazement, which I was expressing to God went something like, "With the billions of people in the world, how can you possibly know about everything that is happening with each and everyone of us?" At that moment, the entire chapel became bathed in bands of light. There were thick emerald green bands alternating with thinner gold bands. I can't say how long it remained that way, probably just a moment or two. But it seemed to me that God was saying "It is because I am in everything and I am everywhere, always." It astonished me and I felt Heaven certainly mustn't be boring - that just being in His presence must be continually overwhelming and beautiful!

I've been in the chapel many, many times since, in various times of the day and in various seasons. I've studied the placement of those colors in the stained glass. I've never seen anything remotely close to that kind of display, although even if it might have been a natural occurrence, I feel it certainly could still have been orchestrated by God.

I feel so very, very, very humbled that He would communicate to me in that way.

ST. JUNÍPERO SERRA PARISH

Question:

Where did the feast of Divine Mercy come from?

Answer:

If you were born well before the year 2000, you know the feast of Divine Mercy has not always been celebrated in the Church. In the early 1900s, a young Polish nun began receiving private revelations. Jesus appeared to her during her times of prayer, speaking a message of mercy and love for the world. She received a set of prayers — the Divine Mercy Chaplet — and the request to have a feast day established to remind the Church of the mercy of God. St. Faustina died in 1938, on the cusp of war and in the midst of one of the most violent centuries in the history of the world.

Her story and her diaries began circulating in Poland and beyond. It quickly became apparent that this was a holy young women, and the cause for her canonization opened. In the year 2000, she was canonized by the first-ever Polish pope, St. John Paul II. On her canonization day, he established the second Sunday of Easter as Divine Mercy Sunday, “a perennial invitation to the Christian world to face, with confidence in divine benevolence, the difficulties and trials that mankind will experience in the years to come.” ©LPI

Dear Parishioners,

This was truly a great Holy Week that all of us have celebrated as a parish community and family in Christ. Everything was possible thanks to the love, dedication and service of many of you. I thank God for your devotion and your faith. I am very grateful for all our ministries that participated in all the liturgical celebrations such as our choir, extraordinary ministers of the Holy Eucharist, readers, altar servers, the ministry of the liturgy, ushers, Deacons and all those who in one way or another dedicated time and love during our holy celebrations.

May the risen Lord bless you abundantly, reward you for your effort and dedication, and may he always keep you under his protection.

In Christ,
Fr. Jorge Castro

Join us to celebrate Divine Mercy Sunday, April 24th at 3:00 pm at St. Francis of Assisi Church.

Includes:

*Chaplet, Adoration & Benediction.

All are welcome!

The response to the request for supplies for Easter baskets was exceedingly generous which allowed for many baskets to be distributed. *A huge thank you to our parishioners*, the Men's club, the Women's club and the members of the Confirmation class who provided toys, candy and gift cards for the Easter baskets for all the residents of the East Hartford Family shelter, other families in need as well the St. Rose food pantry.

We have received an invitation to the St Junipero Serra Parish community to come join the Wapping Community Church as they Host PEACE THROUGH PIE (P.I.E) on Sunday, May 1st from 2- 4 PM, at the Wapping Community Church .

This is a new event which they hope will become an annual community P.I.E. event. Taking a lead from the Peace Through Pie Organization (<https://www.peacethroughpie.org>) started in 1995 the goal is to promote a sense of community and encourage all of South Windsor to come together in a positive way as demonstrated by the teachings of Dr. Martin Luther King.

They hope to encourage listening to understand each other; to reinforce that we all want the best for all who live here. To build each other up; and that the best way to do that is to be open to the richness of the diversity of our community for that is when we are at our best.

It is simply a community "get together"... there is no big agenda, no heavy topics of discussion...just an opportunity to be together and get to know each other better.

Please plan to join us on May 1, 2022 in the church parking lot/community room from 2-4PM. Pies will be provided, but if you would like to help in any capacity, contact Donna Williams: mfwill@cox.net.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

April 24, 2022 | 2nd Sunday of Easter (Divine Mercy Sunday)

Even Thomas struggles to remove his boulder! Being very pragmatic and determined, he wants to see the risen Christ for himself! Thomas's boulder is heavy with mistrust. Many of ours are too. A certain amount of skepticism is good, as it can save us from being duped or misled. But we can become so skeptical of things that it erodes our ability to trust anything we see or hear. Skepticism can actually be a well-disguised defense mechanism that we use to prevent us from being hurt or perceived as a fool. Having too much ego protection is a real risk. Thomas, because of the boulder blocking his vision, could not even trust the word of his friends.

Boulders are hard to move. It's difficult to seek change or take a risk, especially when we are so afraid to be vulnerable or reluctant to trust another's word. When we are closed minded, overly pragmatic, unwilling to see things in a different way, stubborn or defensive, it is difficult to be surprised by God and stretched. We need to be less guarded, self-assured, and self-absorbed. God cannot break into the ordinary moments of our lives and inspire us when we cling to doubt. If we are going to discover resurrection faith, we have to believe that what the witnesses say is true, especially when they are credible. We also have to trust that the risen Christ is alive in us, too!

While the first witnesses to the resurrection have faded into history, there are many others who have come after them. They continue to inspire by walking the talk of faith. They are the martyrs who offer their lives for the Gospel, the simple holy people in our communities who cling so steadfastly to their faith, those who have touched despair and found new hope and the ones who, even in spite of ridicule, still pursue their hunger and thirst for God. They are our friends, acquaintances, biblical heroes, and saints, and many others who are convinced that they have seen the Lord! The risen Christ may not surprise us with the same kind of visit as he did the first disciples, but God finds other ways. All we have to do is open our eyes, remove whatever is preventing us from seeing and believing and exclaim: "My Lord and my God!" ©LPi
