## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

The Church, as a voice of the Gospel, proclaims the sacredness of all human life. Everyone created by God is fashioned in God's image and has Divine DNA at the center of their soul. God never leaves what God creates but always remains intimately bound to what he has given form. Everyone has a place and because they have received the gift of Divine Blessing, nobody deserves to feel inferior, unworthy, unwanted, unclean or marginalized. Even the most broken of souls has a place. We, the Body of Christ, have the privilege and responsibility to give voice to the voiceless. The cries of the little one in his or her mother's womb are just as sacred as the cries of one who is homeless and hungry. The migrant deserves our attention as much as the forgotten elderly and even the prisoner, with a heart hardened by anger and resentment, deserves respect and dignity.

The Gospel of Life is often hard to swallow, and we would rather keep those we consider unclean, different or unfixable in a place by themselves. It is hard to see them with us, but they deserve to be. There is far too much violence in this world and the result of that violence is the assault on human life. Many are forced to leave the place they call home in search of safer ground, finding few if any along the way who will help them. How different today's Gospel story would be if Jesus gave in to what was politically correct at that time. The leper would have been turned away and a soul, already beaten down by disease and fear, would have experienced an even deeper wound. Jesus wouldn't have captured much attention from anyone, nor would he have mirrored the Father's compassion and love.

Where do we stand with all of this? Do we at least understand that God's vision is often in conflict with the vision put forth in our world and even the one we advance ourselves? There is no doubt that it is incredibly challenging to find a place for everyone at the table. This challenge is compounded when the systems of operation and structure that are so ingrained in us affirm power and privilege rather than inclusivity and justice. Everything really goes askew when the powerful begin to control who is entitled to wholeness and inclusion, and greed becomes a driving force. Prejudice and entitlement raise their ugly heads and we find ourselves with quite a mess. It's time to admit that things have been a mess for a very long time. The mess needs to be healed, not by erasing it but by allowing God to touch it and make it whole. We need to bring God back to the center of life where God belongs. There are no easy solutions to the world's dilemmas. But, knowing that wholeness, healing, and dignity are worthy pursuits, we can more confidently labor to achieve God's vision.©LPi

## LIVE THE LITURGY

### INSPIRATION FOR THE WEEK

Everybody has a place at the table, and nobody deserves to feel inferior, unworthy, unwanted, or marginalized. It is not part of God's vision. Jesus came to heal, make things whole, set things right, and restore relationships. No one is to feel unwelcome or alienated from the community. Whether we like it or not, this message is at the core of the Gospel. It makes a lot of sense when you think about it. Perhaps this is why people kept coming from everywhere to listen to Jesus speak and to be in his presence. He made perfect sense. Most of us have no issue buying into this vision. We run into trouble, however, when we fall into the trap of privilege and power. We diverge from God's vision when the powerful begin to control who is entitled to wholeness and inclusion, and greed becomes a driving force. Prejudice and entitlement have no place in the kingdom of God, and even the most needy and hurting among us are worthy of the compassion Jesus desires to offer. There are no easy solutions to the world's dilemmas. But one thing is for certain, no one can be singled out, excluded or mistreated. Everyone matters.©LPi

Throughout the season of Lent, we pray for women who are victims of violence, that they may be protected by society and have their sufferings considered and heeded. We also pray throughout Lent, that each of us may experience the Sacrament of Reconciliation with renewed depth, to taste the infinite mercy of God.

## THE YEAR OF ST. JOSEPH

The Holy Father asked that the official prayer to St. Joseph be added to the end of the Rosary especially during October, the month of the Holy Rosary. This prayer is enriched with a partial indulgence (Source: USCCB).

*To you, O blessed Joseph, do come in our afflictions, and having implored the help of your most holy Spouse, we confidently invoke your patronage also. Through that charity which bound you to the Immaculate Virgin Mother of God and through the paternal love with which you embraced the Child Jesus, we humbly beg you graciously to regard the inheritance which Jesus Christ has purchased by his Blood, and with your power and strength to aid us in our necessities. O most watchful guardian of the Holy Family, defend the chosen children of Jesus Christ; O most loving father, ward off from us every contagion of error and corrupting influence; O most mighty protector, be kind to us and from heaven assist us in our struggle with the power of darkness. As once you rescued the Child Jesus from deadly peril, so now protect God's Holy Church from the snares of the enemy and from all adversity; shield, too, each one of us by your constant protection, so that, supported by your example and your aid, we may be able to live piously, to die in holiness, and to obtain eternal happiness in heaven. Amen.*

**PRAY THE ROSARY EVERYDAY**

*For this Valentine's Day  
Jesus asks you.....BE MINE*

### A VALENTINE PRAYER

I said a Valentine prayer for you and asked the Lord above to fill your heart and bless your soul with the precious gift of love. I asked Him for sincere love, the kind that's meant to stay just like the generous love You give to those you touch each day. I prayed for love from family and from every cherished friend then I asked the Lord to give you His love that knows no end. (Author unknown)

## EVERYDAY STEWARDSHIP ~ RECOGNIZING GOD IN ORDINARY MOMENTS

### The Unfailing Goodness of God

I have always wondered why Jesus told the cleansed leper not to publicize how he had been healed by the Son of God. It's not that I can't understand why Jesus would want to keep the matter quiet-after all, he knew that as soon as people heard, he would be mobbed with requests for healings, and his movements restricted.

What gets me is the fact that Jesus simply must have realized the leper would not listen to him. Why give someone a command you know they will ignore? It's a complicated question, and when I reflect on it, I can't help but connect it to another equally complicated question: why does God, all-good and all-knowing, allow bad things to happen?

Yes, God is all-good and all-knowing. So when He gives us free will, He knows what we will do with it. However, He is also all-powerful. He can and will bring good from any situation, any tragedy, or even any instance where someone ignores Him.

Was it a sin for this leper to do other than what Jesus had said? That's a heavy question for a Sunday morning! But it's plain to see that, even though this man ignored Jesus' command, God still used his actions. How many were brought to Christ because of the news spread by this leper!

As someone trying to live out a stewardship way of life, what is God requesting of you right now?

*- Tracy Earl Welliver, MTS©LPi*

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do Thou, O Prince of the Heavenly Host ~ by the Divine Power of God ~ cast into hell Satan and all the evil spirits, who roam throughout the world seeking the ruin of souls. Amen.
