LIVE THE LITURGY INSPIRATION FOR THE WEEK

Throughout history God has given His people signs. Our season of Lent offers us God's sign that it is time to stop the ordinary routines of our lives, create some desert space, and listen more attentively for God to reveal His presence. We are asked to unplug from our attachments, compulsions, obsessions, addictions, routines, and busyness to clear the slate and take stock in who we have become. We are asked to remember the ancient sign of God's covenant with humanity in which He vowed to nurture, sustain, and protect the relationship He has with His people.

Once we slow down a bit and clear away some of the clutter, we can see how the journey of our life is unfolding. We can see what brings us in and out of tune with God's love and how we can better imitate God's loving fidelity in our relationship with Him.

Even though some good solid self-denial is the order of the day, greater happiness and wholeness will be the fruit of our labors. Pleasant journey through the desert!

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

St. Oscar Romero said, "Aspire not to have more, but to be more." These powerful words provide the perfect framework for a conversion oriented Lenten experience. God is giving us this Lenten sign to stop being concerned about what you have and focus on who you are. This requires that we create a desert space and listen more attentively for God to reveal His presence. It is all so wonderfully simple on the one hand and so incredibly challenging on the other. The message is simple: love God, neighbor, and self. Those simple words make great sense, but we struggle translating them into reality. Our attachments, compulsions, obsessions, addictions, routines, and busyness all anchor us to the "idol of the self," keeping us mired in our compulsive need for self-aggrandizement. It's not about us!

God vowed, long ago, to nurture, sustain and protect the relationship He has with His people. He called us into being, nurtures us in being, and sustains us in being. Without the Loving Divine Presence, all life would cease. Once we slow down a bit and clear away some of the clutter, we can see how the journey of our life is unfolding. We can see what brings us in and out of tune with God's love and how we can better imitate God's loving fidelity in our relationship with Him. In short, we will see our myopic short sightedness and figure out how we can better share the Divine Fire within with others. Lent isn't just about giving stuff up for forty days and indulging again at Easter. We need to push things much farther and wrestle with the question of how we can be more. "Being more" means becoming more fully alive and in touch with the holiness of life and the divinity that lives in and empowers all beings and things. It is realizing that the "quality" of our presence is crucial to being an effective witness and herald of God's unconditional love.

The illusion we have bought into causes us to believe that the wrong things and systems matter. We tirelessly fight to keep things the way they are, to return to the former ways of doing things or restore some nostalgic fantasy memory of "life in the good old days." Lent isn't about maintaining what we have or returning to something that is gone. It's about becoming something new. It's about being more focused, centered, convicted, and grounded so that we can be a person who truly loves and treasures being made in the image of God. The secret to Gospel living is not found in accumulating anything for ourselves, even merit points for heaven. Gospel living means learning how to live with less so that others can live with more. The thought of permanently giving something up makes us feel uncomfortable. Truth often does. ©LPi

Lent is a season of Preparation, Reflection and Renewal. During this Lenten season, ask yourself - What is the Lord asking me to do?

+++++

Loaves and Fishes - during the season of Lent, families are asked to offer the cost of one meal each week to support the feeding program of Catholic Charities. In doing so you help feed the working poor, the homeless and elderly of the Diocese.

The Special Intentions of Pope Francis

Throughout the season of Lent, we pray for women who are victims of violence, that they may be protected by society and have their sufferings considered and heeded. We also pray throughout Lent, that each of us may experience the Sacrament of Reconciliation with renewed depth, to taste the infinite mercy of God.

A Lenten Prayer

Almighty and everlasting God, You have given the human race Jesus Christ our Savior as a model of humility. He fulfilled Your Will by becoming Man and giving His life on the Cross. Help us to bear witness to You by following His example of suffering and make us worthy to share in His Resurrection.

Ash Wednesday and Good Friday are days of fast and abstinence

Abstinence means not eating meat, for those 14 years of age and older all Fridays in Lent.

Fast means limiting oneself to one full meal and two lighter meals each day for those ages 18 until age 59.

(One is not bound to fast if health or the ability to work is affected.)

EVERYDAY STEWARDSHIP ~

RECOGNIZING GOD

IN ORDINARY MOMENTS

The Unlikely Suspects

Have you ever taken a nature walk? Have you leisurely strolled through a forest or field, with no real destination in mind and your only objective being receptivity to and observation of all God's creation?

Sometimes, Scripture readings can feel like a nature walk. All of salvation history plays out against the backdrop of the natural world, with all elements of God's creation - plants and animals and the dust of the earth itself - turning in a supporting performance. How about Jesus in the hot and dusty desert, tempted, living "among the wild beasts?" Noah departed from his ark with the animals he rescued, observing God's sign in the very clouds of the sky. Even God Himself, offering us salvation from original sin through the waters of baptism.

How often do we remember that God speaks to us through all of His creation, even in the unlikely suspects?

Let's go back to the nature walk. It sounds like a lovely way to pass an afternoon, amongst wildflowers and butterflies, but don't forget the beating hot sun, mosquitos, and threat of rain on the horizon. Remember, we're not in heaven yet. Here on earth, God may be present in His creation, but that doesn't mean it's always easy to endure.

Lent is, essentially, a time to listen for the voice of God in places we may not expect: the mild irritations you experience when you're craving the chocolate you gave up, or the dull pangs of hunger during the Ash Wednesday fast. It's a golden opportunity to see the divine hand in all of creation, even those unlikely suspects.
