GOSPEL MEDITATION - ENCOURAGE

DEEPER UNDERSTANDING OF SCRIPTURE

The Holy Family of Jesus, Mary, and Joseph

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too. ©LPi

EVERYDAY STEWARDSHIP - RECOGNIZE

GOD IN YOUR ORDINARY MOMENTS

All in the Family

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating - who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful - perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother in spirit. Who in your world needs you to love them with the heart of a mother?

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father?

Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?

We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

- Tracy Earl Welliver, MTS ©LPi

SAINT OF THE WEEK

EXAMPLES OF OUR FAITH

St. Stephen | Feast Day December 26

The Acts of the Apostles tells the story of St. Stephen, the first Christian martyr. A man filled with grace and power, he worked great wonders among the people. Some Jews debated with St. Stephen but could not match his wisdom and spirit. Eventually, a charge of blasphemy was brought up against him, and the local population demanded that he be tried and sentenced. He was seized and carried before the Sanhedrin.

Despite the danger he faced, in front of the Sanhedrin and his accusers, St. Stephen gave a long speech about the history of Israel and the blessings that God had given upon His chosen people. He talked about how Israel had become disobedient despite God's abundant mercy. This enraged his accusers, and eventually the crowd dragged him out of the city and stoned him to death.

Even in his final moments, St. Stephen displayed great forgiveness and even asked God not to hold the sins of his attackers against them. Hundreds of years after his death, he is still a role model for us to follow.

PARISH REGISTRATION

Question:

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass

Answer:

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

A PRAYER FOR OUR COUNTRY

O Most Blessed Virgin Mary, Mother of Mercy, at this most critical time, we entrust the United States of America to your loving care.

Most Holy Mary, we beg you to reclaim this land for the glory of your Son. Overwhelmed with the burden of the sins of our nation, we cry to you from the depths of our hearts and seek refuge in your motherly protection.

Look down with mercy upon us and touch the hearts of our people. Open our minds to the great worth of human life and to the responsibilities that accompany human freedom.

Free us from the falsehoods that lead to the evil of abortion and threaten the sanctity of family life. Grant our country the wisdom to proclaim that God's law is the foundation on which this nation was founded, and that He alone is the True Source of our cherished rights to life, liberty and the pursuit of happiness.

O Merciful Mother, give us the courage to reject the culture of death and the strength to build a new Culture of life. Amen.

Our 2022 Mass Book is Open

There are Weekday and Weekend Masses available. We also have beautiful Mass Intention Cards for the living who are very special to us for their birthday, anniversary, graduation, hospitalization, birth of a child, adoption, etc. Checks only payable to OLOP.
