GOSPEL MEDITATION - ENCOURAGE DEEPER

UNDERSTANDING OF SCRIPTURE

The Epiphany of the Lord

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis references a thought from Pope Benedict XVI: “Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction.” Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically

changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, “Thanks solely to this encounter or renewed encounter with God’s love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being.”

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved. ©LPi

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Human beings easily get bored. Life’s routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God’s creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved. ©LPi

SAINT OF THE WEEK EXAMPLES OF OUR FAITH

St. Elizabeth Ann Seton - January 4

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph’s Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter’s Square by Pope Paul VI and was the first citizen born in the United States to be given the title of “saint.”

PARISH REGISTRATION

Question:

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass

Answer:

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

A PRAYER FOR OUR COUNTRY

O Most Blessed Virgin Mary, Mother of Mercy, at this most critical time, we entrust the United States of America to your loving care.

Most Holy Mary, we beg you to reclaim this land for the glory of your Son. Overwhelmed with the burden of the sins of our nation, we cry to you from the depths of our hearts and seek refuge in your motherly protection.

Look down with mercy upon us and touch the hearts of our people. Open our minds to the great worth of human life and to the responsibilities that accompany human freedom.

Free us from the falsehoods that lead to the evil of abortion and threaten the sanctity of family life. Grant our country the wisdom to proclaim that God's law is the foundation on which this nation was founded, and that He alone is the True Source of our cherished rights to life, liberty and the pursuit of happiness.

O Merciful Mother, give us the courage to reject the culture of death and the strength to build a new Culture of life. Amen.

Welcome So glad you're here.....
