## Youth Ministry News

Youth ministry events will take place online for the month of January. Contact Mary Conney at [mconney@olvictory.org](mailto:mconney@olvictory.org) for more information about our online gatherings.

## BINGO UPDATE

Due to the recent increase in Covid cases, BINGO has been canceled for the month of January. We are looking forward to gathering again as soon as it is safe.

Stay safe and keep those around you safe by wearing a face mask.

Masks are mandatory!

If you do not have one, please see Kat or one of the ushers in the Gathering Space.

Until further notice there will be no in person learning on Sundays or Wednesdays. If you have any questions, please don't hesitate to contact Cassandra Palmer at [cpalmer@olvictory.org](mailto:cpalmer@olvictory.org)

We understand if you do not feel comfortable coming to Mass in person during these trying times. If you are unable to come to Mass, subscribe to our YouTube channel at Our Lady of Victory Church Baltimore. The Saturday, 4:00 pm Mass is recorded and broadcast live. If you miss the live stream you are still able to watch at your convenience. Also, if you are interested in donating to the collection, you may do so electronically. Electronic giving is easy and secure. Just click on the QR code to the right to get started.

We all look forward to the day we can come together safely and worship.

## Music Ministry

There is no music or choir rehearsals for the month of January. Watch the bulletins for updates as to when we are able to come together again. Until then, wear your masks and stay safe.

Use your phone to scan this QR code, which will take you to our electronic giving sign up page. It's easy and safe and during COVID it's the best way to support the parish!

Dear Our Lady of Victory Parish Family,

I hope that this letter finds you and your loved ones in good health.

The recent surge in COVID infections has caused the OLV staff to make some hard decisions regarding our ministry and religious education programs. Most of us prefer in-person meetings to virtual/Zoom gatherings. It may even feel like we have lost our forward progress with the re-institution of masking and other precautions. Please do not lose hope. We want to return to in person gatherings and social events as soon as it is safely possible to do that. Until then, we must each do our part to stop the spread of this disease and continue to pray for an end to this pandemic.

The Synodal Way listening sessions that were planned for the end of January will be moved to mid-February. If we are still prevented from gathering in large groups, we will adjust this again until we can hold our parish listening sessions. If we are unable to gather in person for these sessions, we will find a way to hold them virtually so that everyone's voice can be heard. These listening sessions remain a priority for us and your input is both wanted and needed.

Please pray for the health of all those in the Our Lady of Victory parish community, our neighbors here in Arbutus, and throughout the world.

In Christ's peace,

Fr. Bill

## A Stewardship Reflection on Today's Gospel

Today's Gospel reading from John recounts the familiar story of the wedding feast at Cana when Jesus launched His public ministry by performing His first miracle at his mother's request.

In the midst of the feast, the Blessed Mother noticed that the wine had run out and pointed out the problem to Jesus. Then, she gave the servants instructions that are equally applicable to us modern-day stewards, saying, "Do whatever He tells you." Jesus gives the servants a simple and seemingly mundane task, telling them to fill some stone jars with water. They did what He told them to do. And Jesus used their obedience in the accomplishment of that simple task to perform His first miracle, turning the water into the choicest wine.

Our Lord didn't have to include those servants in order to perform this miracle — He chose to. And today, 2,000 plus years later, He still chooses to include us in the performance of His miracles through our cooperation with Him in using the gifts and talents He has given us. What a privilege! Let us take care to listen to our Blessed Mother: let's examine our lives this week to see if we really are "doing whatever He tells us," cooperating with God to make the best use of the gifts He has given us for the benefit of those around us. If we all take this call seriously, He will perform miracles in our families and our parish.
