## TWENTY-FIFTH SUNDAY IN ORDINARY TIME

“The person who is trustworthy in very small matters is also trustworthy in great ones; and the person who is dishonest in very small matters is also dishonest in great ones. If, therefore, you are not trustworthy with dishonest wealth, who will trust you with true wealth? If you are not trustworthy with what belongs to another, will give you what is yours? No servant can serve two masters. He will either hate one and love the other or be devoted to one and despise the other. You cannot serve both God and mammon.” *Luke 16: 10-13*

### HVAC REPAIR

Fr. Kennedy signed the contract to replace the HVAC control system in the church. The cost is approximately \$20,000. The parts are being ordered with an anticipated installation in the late October – early November timeframe. Thank you to all who have donated so far to this important project.

### FACILITIES UPDATE

**Parking Lot:** The finishing layer of asphalt was applied around the new drywell that was installed in the parking lot next to the rectory. The drywell and the 6-inch asphalt berm at the Clark Street entrance to the parking lot have made a huge difference in averting flood damage to the rectory.

**Masonry Work:** A number of pieces of the blue stone at the entrances of the church had come loose presenting a safety hazard. They were removed, cleaned and reset. The brickwork and blue stone stairway at the entrance of the Religious Education office was repaired with new bricks and bluestone being installed.

**Rectory:** The half-moon windows on the first floor of the rectory are being repaired and painted. The ceiling in one of the guest rooms was painted in preparation for Fr. Gabriel's arrival. Two of the bathrooms were painted and broken doorknobs were replaced.

**Church Technology:** We recently experienced a power surge (likely from a storm or lightning strike to the cable connection that cause unrepairable damage to the cable modem and live stream camera. Both have been replaced and the power and sound company will make some readjustments to the presets for livestreaming service.

### AN EVENING WITH PROFESSOR PETER KREEFT

On Wednesday, October 26th from 7:00-8:00PM Sacred Heart Parish will hold a special event featuring a presentation by Peter Kreeft Ph.D., professor of philosophy at Boston College. He will speak on the topic "What Does it Mean to Be Catholic in 2022". The Covid 19 pandemic caused illness and isolation, and for many it caused a retreat from church attendance. Professor Kreeft will share insight on the Church's history of prosperity and hardships and will present his perspective on reenergizing the faithful to follow Christ in word and example. We hope that everyone will mark their calendar for this very special event. For additional information log on to our website [www.sacredheart311.com](http://www.sacredheart311.com) or [www.peterkreeft.com/books](http://www.peterkreeft.com/books).
