**TAKE 5**

Strengthen the partnership.

The relationship between parishes and schools is long and intimate-important to not at the start of Catholic Schools Week. After the first Catholic diocese was established in the United States in Baltimore, pastors lobbied at once for schools and religious to staff them. Frontier pastors vowed to build the school first and the church later. They understood that without proper religious education, the parish venture would certainly fail. Today, celebrate this essential partnership with a holy hour, candlelight prayer vigil, or special project in the parish for young people and their supporters.
