**NEW COLLECTION BOXES**

At Our Lady of Fatima Church we have two new collection boxes made by a friend of Fr. Don's. Each box has two slots if two separate collections are called for. With the threat of more viruses on the way, it might be best we adopt this procedure to support parish personnel, expenses and programs.

**NOTE:** We will pass the collection basket until the end of April for people to become accustomed to this new procedure. It has been successful in other parishes. We can't afford to have people forget and walk by them like old pictures in our houses. If we fall behind we'll return to passing the basket.

Revealing Companions

Today the church follows Luke's narrative of the Passion, where participants are revealed by the company they keep—or avoid. Most of Jesus' followers flee his side, fearing to share their teacher's fate. Meanwhile, the Roman governor Pilate makes a strange alliance with local puppet-king Herod, a man he despises. Both agree on one thing: Holding onto power is their highest priority. Then Simon, a Jew from the African dispersion, finds himself forced to carry Jesus' cross: something the disciples were terrified of doing. Tradition holds this Cyrenian and his family later joined the early church. Whose company are we keeping?
