Navigating Life's Final Journey

Conversations, Choices, Resources

September 28, 2024 ~ 8:30 am - 12 pm
Our Lady of Fatima Church Hall

This program will be a safe space to begin or continue to think and speak about the final journey of our lives and/or that of others for whom we love and care. We will discuss conversations, choices and resources which can be helpful to prepare for this part of our life journey. There will be opportunity to learn from a professional who has spent over 40 years caring for people with serious and terminal illnesses. There will also be time to learn from other attendees as we all will walk this path at some point in our lives and some have already had much experience within their families or even themselves.

This program is based upon the book by the same title. It was written by Patricia O'Connor, a nurse practitioner and lector. She will be the presenter for this program. It is her passion to pass along the knowledge and wisdom learned during her lengthy career in order to enable people to retain agency (independence/control) and find meaning during their end-of-life journeys.

You are most welcomed to join the conversation...it will be richer for your presence !!!

Catholic Trivia

TIPS FOR HARD OF HEARING PEOPLE

**On communicating with
HEARING PEOPLE**

SET YOUR STAGE

Tell others how best to talk with you. Pick your best spot (light, quiet, proximity). Anticipate difficult situations, plan how to minimize them.

PROJECT YOUR COMMUNICATION

Pay attention. Concentrate on the speaker. Look for visual cues. Ask for written cues if needed. Don't interrupt. Let conversation flow awhile to gain more meaning.

ESTABLISH EMPATHY WITH AUDIENCE

React. Let speaker know how well he is doing. Don't bluff. Admit it when you don't understand, to prevent trouble. If too tired to concentrate, ask for discussion at a later time.

TIPS FOR HEARING PEOPLE

**On communicating with
HARD OF HEARING PEOPLE**

Rule: When audio is poor emphasize the visual. Practice special speaking skills.

SET YOUR STAGE

Face the audience directly. Spotlight your face (no backlighting). Avoid noisy backgrounds. Get attention first. Ask how you can facilitate communication.

PROJECT YOUR COMMUNICATION

Don't shout. Speak clearly, at moderate pace. Don't hide your mouth, chew food, gum, or smoke while talking. Re-phrase if you are not understood. Use facial expressions, gestures. Give clues when changing subject.

ESTABLISH EMPATHY WITH AUDIENCE

Be patient if response seems slow. Stay positive and relaxed. Talk to a hard of hearing person, not about him/her. Offer respect to help build confidence.
