**Catholic Community**

Based on the historical records and the personal testimony of his fellow friars, this is the amazing true story of the life of the famous stigmatic monk, St. Padre Pio, a contemporary saint who died in 1968. Blessed with incredible spiritual gifts, including healing, bi-location, reading of souls, and the stigmatic wounds, Padre Pio was a powerful witness for Christ, and a great spiritual guide to countless souls for over fifty years.
