**TAKE FIVE**

With so much emphasis on work and consumption in America culture, it is easy to fall into the trap of believing that “you are what you earn.” This attitude creates a lot of anxiety, leaving us constantly worried about our financial worth and feeling devalued if our “earning power” drops or if we are not part of the wage economy. Jesus offers a different vision when he assures us that God is pleased to give us the Kingdom. There is nothing to earn here, nothing to be gained, nothing to be lost. Our self-worth is a freely given gift of our Creator. Bank on it!

**Clare and Francis**

This outstanding movie is unique among films about St. Francis because of the historical accuracy of the story and its authentic spirit of joy and piety so characteristic of Francis, as well as the major role played by Clare. Both founded major religious orders, and together they inspired many to follow their radical call to live the Gospel.
