Lord Jesus, who went about doing good and healing all, we ask You to bless our friends who are sick. Give them the strength in body, courage in spirit, and patience in pain. Let them recover their health, so that, restored to the Christian community, they may joyfully praise Your name, for You live and reign for ever and ever. Amen.

Peter Canisius fue un renombrado sacerdote católico jesuita holandés. Se hizo conocido por su fuerte apoyo a la fe católica durante la Reforma Protestante en Alemania, Austria, Bohemia, Moravia, Suiza y las Islas Británicas. Es venerado en la Iglesia Católica como santo y como Doctor de la Iglesia. Nació en

1521 en Nimega, en el Ducado de Güeldres. Fue enviado a estudiar a la Universidad de Colonia, donde obtuvo una maestría en 1540, a la edad de 19 años. Mientras estaba allí, conoció a Peter Faber, uno de los fundadores de la Compañía de Jesús. Supervisó la fundación y el mantenimiento de los primeros colegios jesuitas de habla alemana. Al mismo tiempo predicó en la ciudad y sus alrededores, y debatió y enseñó en la universidad. Debido a sus frecuentes viajes entre los colegios, se hizo conocido como el Segundo Apóstol de Alemania. Canisius ejerció una fuerte influencia sobre el emperador Fernando I. En 1547 asistió a varias sesiones del Concilio de Trento. Canisius fue un influyente maestro y predicador, especialmente a través de su "Catecismo alemán", un libro que definió los principios básicos del catolicismo. Se le ofreció el puesto de obispo de Viena en 1554, pero declinó para continuar sus viajes y enseñanzas. Se trasladó a Alemania, donde fue uno de los principales teólogos católicos en el Coloquio de Worms en 1557, y más tarde sirvió como predicador principal en la Catedral de Augsburgo de 1559 a 1568. En 1562 fundó lo que se convertiría en la Universidad de Innsbruck. Pedro mostró que el catolicismo era completamente racional, que los argumentos protestantes no eran convincentes. Por sus esfuerzos, Pedro ganó (sur de Alemania) y (Alemania central) de vuelta a la Iglesia Católica. También ganó conversos en Austria, Hungría, Bohemia y Polonia. Polonia se había vuelto en gran parte protestante, pero gracias a los esfuerzos de Pedro y otros jesuitas, regresó a la Iglesia y sigue siendo católica hoy en día a pesar de la persecución comunista. La obra de Canisius "fue traducida a casi todos los idiomas de Europa. En 1591, a la edad de 70 años, Canisius sufrió un derrame cerebral que lo dejó parcialmente paralizado, pero continuó predicando y escribiendo con la ayuda de un secretario hasta su muerte. Inicialmente fue enterrado en la Iglesia de San Nicolás. Sus restos fueron trasladados más tarde a la iglesia del Colegio jesuita, que había fundado y donde había pasado el último año de su vida, y enterrado frente al altar mayor de la iglesia; la habitación que ocupó durante esos últimos meses es ahora una capilla abierta para la veneración de los fieles.

PRAY FOR OUR TROOPS

Please keep those serving in the military in your prayers, especially Rev. James Hamel, Rev. William Hanrahan, Nicholas Ramirez, Chris Armbruster, Colonel Elizabeth Casely, Dimitri Diaz, Adam Foxx, Grobert Fuentes, Luis Gonzalez, Evan Good, Mitchell Mancini, Alexander Pagan.

Almighty God, We stand before you in supplication, asking Your Divine mercy and protection, to envelop with Your invincible armor, our loved ones in all branches of the service. Give them courage and strength against all enemies, both spiritual and physical, and hasten their safe journey, back to their homes and families. If it be Your Holy Will that they be gathered to Your bosom, with the eternal vanguard of the saints, let their journey to Your everlasting arms be swift and painless, where they may stand

Peter Canisius was a renowned Dutch Jesuit Catholic priest. He became known for his strong support for the Catholic faith during the **Protestant Reformation** in Germany, Austria, Bohemia, Moravia, Switzerland and the British Isles. He is venerated in the Catholic Church as a saint and as a Doctor of the Church. He was born in 1521 in Nijmegen in the Duchy of

Guelthers, which, until 1549, was part of the Habsburg Netherlands. He was sent to study at the University of Cologne, where he earned a master's degree in 1540, at the age of 19. While there, he met Peter Faber, one of the founders of the Society of Jesus. He supervised the founding and maintenance of the first German-speaking Jesuit colleges. At the same time he preached in the city and vicinity, and debated and taught in the university. Due to his frequent travels between the colleges, he became known as the Second Apostle of Germany. Canisius exerted a strong influence on the Emperor Ferdinand I. In 1547 he attended several sessions of the Council of Trent. Canisius was an influential teacher and preacher, especially through his "German Catechism", a book which defined the basic principles of Catholicism. He was offered the post of Bishop of Vienna in 1554, but declined in order to continue his traveling and teachings. He moved to Germany, where he was one of the main Catholic theologians at the Colloquy of Worms in 1557, and later served as the main preacher in the Cathedral of Augsburgo from 1559 to 1568. In 1562 he founded what was to become the University of Innsbruck. By his debates, his writing and his teachings, Peter showed that Catholicism was thoroughly rational, that the Protestant arguments were not convincing. By his efforts, Peter won (southern Germany) and (central Germany) back to the Catholic Church. He also won converts in Austria, Hungary, Bohemia and Poland. Poland had become largely Protestant, but thanks to the efforts of Peter and other Jesuits, it returned to the Church and is still Catholic today despite Communist persecution. Canisius spent the last twenty years of his life in Fribourg, where he founded the Jesuit Collège Saint-Michel. During this period, Canisius's work "was translated into almost every language of Europe. In 1591, at the age of 70, Canisius suffered a stroke which left him partially paralyzed, but he continued to preach and write with the aid of a secretary until his death. He was initially buried at the Church of St Nicholas. His remains were later transferred to the church of the Jesuit College, which he had founded and where he had spent the last year of his life, and interred in front of the main altar of the church; the room he occupied during those last months is now a chapel open for the veneration of the faithful.
