First Sunday in Lent

In today's Gospel we are told that Jesus was tempted in the wilderness for 40 days. Numbers are never randomly used in the Bible. 1, 3, 7, 12 and 40 all have specific meanings. 40 indicates a time of formation. Luke tells us that Jesus confronts evil head-on and is tempted in every way that we are.

We often feel alone when faced with difficult choices and temptations, but, especially at these moments, there are four things we need to remember: Temptation is not sin. Only when we freely and knowingly choose to act on temptation is sin involved. Though one may like to talk about the temptations one has in Reconciliation, we never have to "confess" them as though they are sinful actions.

When we look at our temptations they often appear as good things, but often they have a sting in the tail which is destructive. We need to be very alert to all the consequences of what we do and say, and learn from our experiences.

The more we give into temptation, the more immune we become to seeing that there's anything wrong with what we are doing. We can develop whole habits in our living, deceiving ourselves that what we are doing is "not that bad."

St. Ignatius Loyola, the founder of the Jesuits, tells us in The Spiritual Exercises that the worst temptations are greed, pride and riches. This comes as a surprise to Catholics who have been told for too long that sex is number one. Ignatius says that we should be wise in how we deal with temptations: name what's going on, and attend to the pattern of the temptation quickly and consistently. As John B. Metz, says, "We can say that the three temptations in the desert are three assaults on the poverty of Jesus ... What Satan fears most is the powerlessness of God in the humanity he assumed ... so he appeals to Jesus' divinity, he wants God to remain God ... but Jesus subjected himself to our plight and opted for us as we are."

We should take great comfort from this: there is no path of temptation along which Jesus has not gone ahead of us to show us we can choose life ahead of death.

That's what Lent is always about—a yearly season where we are encouraged to keep embracing life and live it to the full.

Winter Weather Policy: If school in Hoosick Falls is cancelled, the parish office will be closed and all in person activities for the day and evening will be cancelled. In case of a delay, all daytime activities are cancelled and a decision about evening activities will be made by noon.

Take Heart !

We might think that the hope of Lent has to do with our hope that we will get through it, that we will come to the end of it. We see Lent as an obstacle course we need to navigate in order to get to the great feast of Easter. But while the Lenten season is indeed preparation for our Easter celebration, the hope of this season is that we will find our lives transformed by the many ways we encounter God's Word, by the richness of the Scripture readings chosen to encourage, to challenge, to confront, to comfort. **Find many resources on our website!**

A RECOMMITMENT TO END HUNGER Since 1975, Catholics across the United States have come together each Lent to respond to global hunger through the CRS Rice Bowl program. Learn how people like you have made a local and global impact on the lives of our sisters and brothers in need and why our prayers and almsgiving are still needed today. During this holy season, let us recommit to sharing bread for life with our global family so that all people can reach their God-given potential. Visit crsricebowl.org/week-1 to read this week's Story of Hope.
