Mission Statement

We are a diverse gathering of God's people who strive to live our Roman Catholic Faith to the fullest by worshiping reverently, ministering to all, and warmly welcoming all to the table. Our goal is to be the best Christians we can by tithing, singing, and being witnesses to the greatest sacrifice ever. We aim to serve our neighbors with a special focus on our children and the community within which we live and work. We freely share our cultural gifts as well as our spirit with all. We open our doors to all while recognizing the gifts that God has graced us with and are willing to share those gifts. We try to walk as a unified community that triumphantly faces all obstacles of our earthly existence while keeping our eyes on eternal salvation.
