# The Gift of Christ's Love for Us

*David Werthmann*

**T**hink of a close friend or relative who has moved to a different city. How has that loss felt? Before the move, perhaps you exchanged small gifts by which to remember each other. Similarly, Jesus did not want to leave us alone after his ascension to heaven because he realized we would need his frequent help, so he left behind the Eucharist by which we could recall him, saying, "Do this in remembrance of me" (1 Corinthians 11:24). We should also feel blessed by his continual presence here because he affirmed, "I am with you always, until the end of the age" (Matthew 28:20).

Those who travel to the Holy Land and visit places like the cave of the Nativity or the hill of Calvary where Jesus was crucified are often overcome with emotion as they imagine being present at the very sites where Jesus is believed to have lived. We can visit him today, still alive and present, in the Blessed Sacrament. We can spend time in the Real Presence of God whenever we stop by, even briefly, wherever the Eucharist is reserved. Christ still lives among us today.

What does belief in the Real Presence of Christ in the Eucharist mean for you? How does your life witness the true presence of Christ to those you encounter each day?

## PRAYER

God of abundance, as we are fed at the banquet of the Eucharist, may we be attentive to the hungers of those we encounter today. We pray in Jesus' name. Amen.

The Redemptorists

### The Pope's Monthly Intention for June For Those Fleeing Their Country

Pope Francis dedicates June to praying "for migrants fleeing wars or hunger, forced into journeys full of danger and violence, to find acceptance and new life opportunities in their host countries."

### A Word from Pope Francis

As we are nourished by the Body and Blood of Christ, we are assimilated with him; we receive his love within us, not to hold it back selfishly, but rather to share it with others. This logic is inscribed in the Eucharist: we receive his love within us and we share it with others. This is the Eucharistic logic.
