## **PASTOR'S CORNER**

On the first Easter Sunday, the Lord proved his victory over death, darkness, evil, hatred, violence, and sin. On the first Easter Sunday, the light of the Resurrection pierced the darkness. The disciples went from utter desolation to a joy beyond all joys. I pray that the grace of this Easter season will bring consolation and renewal to you, your family, our parish, our Church, and our world.

Fr. James and I will take turns getting some rest this week. Fr. James will be away at the beginning of the week, and I will be away at the end of the week. Please note the parish office is closed and there is no daily Mass on Monday.

We continue our strategic planning process this week with a meeting on Wednesday evening to discuss the due diligence that members of the committee have been undertaking. They have been assessing each facility based on criteria established by your input as well as the committee's. For more information about the process please see our website: [spiritofhopecatholic.org/strategic-planning](http://spiritofhopecatholic.org/strategic-planning).

### **Eucharistic Revival**

Over the history of the Church, we have seen many examples of saints who were famous for their connection to the Holy Eucharist. I have already written about St. Clare of Assisi and how here instinct was to bring out the Eucharist to ward off the invading army. Today I want to speak about the saint that was like a brother to her and inspired her: St. Francis of Assisi.

St. Francis is famous for his love for the poor, his own poverty and simplicity of life, his love for God's creation, and so much more. St. Francis was a deeply prayerful man and was deeply devoted to the Holy Eucharist. St. Francis wrote to all the friars under his care:

"O wonderful loftiness and stupendous dignity! O sublime humility! O humble sublimity! The Lord of the universe, God and Son of God, so humbles Himself that for our salvation He hides Himself under an ordinary piece of bread! Brothers, look at the humility of God and pour out your hearts before Him!"

Of course the humble St. Francis would pay special attention to the humility of God in the Eucharist. St. Francis also said that the things used for Mass (chalices, linens, etc.) should be clean, dignified, and well-maintained. He even urged his friars to pay special attention to that. Even in his pursuit of poverty and simplicity, he wanted to make sure the chapels in his friaries were clean, dignified and worthy of the Sacrifice of the Mass.

Did you know that St. Francis was never ordained a priest? He became a deacon so that he could preach at Mass, but he never felt worthy to be a priest and to hold the Eucharist in his hands. If St. Francis of Assisi was not worthy to be a priest and to hold the Eucharist in his hands, then this priest is in big trouble! However, God is merciful, and he called me, so I'm trusting that he is making up for what I lack.

Another thing St. Francis noted about the Eucharist was that we should love Christ present under the form of bread and wine and that should lead us to a greater love of Christ present in the poor and suffering.

*- Fr. Co.*

*In Honor of the 3 Year National Eucharistic Revival  
"What Adoration Means To Me!"*

*"There has never been one second that I've spent in Adoration of Jesus that has been wasted time, a burden or that I felt my time could be better spent. I will be forever grateful for the many answered prayers, for having many beautiful people who have been in the Chapel before and after me that I've come to know. My special gift is that I've come to know Jesus in a much deeper way. I can't imagine going back 20 years and not having this amazing prayer and quiet time available to me — such a great gift. I find great comfort knowing that someone is always at St. Agatha's praying for someone or something. Praise God for this great gift."  
— A St. Agatha's Adorer*

## ST. PATRICK'S CEMETERY

On or around April 1st, caretakers will remove everything artificial from all graves at **St. Patrick's Cemetery**. This includes but is not limited to statues (that are not an integral part of the headstone), Jacob staffs, artificial flower arrangements, votive candles, wreaths, bird feeders and houses, and vases. The items will be placed next to the maintenance garage on the East side of the cemetery. Individuals are welcome to retrieve their items until May 1st at which time the items will be disposed of. This is necessary for keeping the cemetery looking respectable and for the safety of our groundskeepers. Please remember that artificial grave adornments are not permitted.
