OUR LADY OF PERPETUAL HELP will be participating in a parish-wide survey!

OLPH will be participating in a parish survey about discipleship conducted by the Catholic Leadership Institute! We need your help!

Please help us by participating in a 10-15 minute survey online. The survey can be accessed through an online link from March 2 through April 2022 and will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish's efforts to help you grow. All responses will be confidential and the parish will only receive information about the community as a whole. Please copy this link; <https://portal.catholicleaders.org/d/k9kxak> to participate in the survey.

We are trying to get the highest response rate possible! This information will be invaluable to Father Goerner and our various ministries as we plan for the future and strive to be the best disciples we can be. We will receive the results this spring/summer at which time we will share what we have learned with the entire community.

To make special arrangements for getting a paper copy, please contact the Rectory Office at 610-543-1046.

Thank you for helping with this important project!
