## Live the Liturgy

Jesus stood in line with everyone else and was baptized. There is something incredibly humbling about how this must have played out. Then, God did something truly awesome and inspiring. Through a very gentle and simple action he let the world know about the special relationship He shares with Jesus. That's exactly what is so incredible about our baptisms as well! Through those holy waters God announces to the world the special place we also occupy in His heart. We no longer have to wonder about the purpose of our lives or struggle to find our way. We do not need to fumble around, tripping over ourselves and wondering why we are even here. The answer has been given. All we have to do is live out the vocation we have received, to live the Gospel in fidelity to our Creator. There is nothing to fear and worry has no place. Standing in line with other sinners, we have our anchor and God is very pleased. ©LPi

**Please pray for Fr. Nick. Lord, restore his health in mind, body & spirit.**

## A Big Thank You FROM FR. NICK

Many thanks to all who helped make our Christmas celebration so lovely this year. I begin by expressing my thanks to Fr. Wolfe and Fr. Tim for all the help they gave in preparation and execution for the Christmas holiday. We are grateful for Maria Godbout's service as our sacristan and liturgical coordinator during this hectic time. We thank Kathy Pape who plans and delivers on our church decoration for the seasons, assisted by Maria Godbout, Bill and Doris McDermott, Jane and Alan Liner and Debbie Tomasetti. Thanks are also due to Dan and Kae Kean, Rob Brereton, Marlene Drygas and all of our musicians and choir members great and small for their service during these busy days. And I can't forget our Knights of Columbus who do so much heavy lifting and set up for us to make our parish ready for Christmas. I know I can't do what I used to do, but thanks be to God for all those who step up in the service of our parish, especially at this busy time. God Bless you all and thank you.

Blessings, Fr. Nick

Narrated in each of the four Gospels, the baptism of Jesus marks the inauguration of His public ministry — His emergence from a life of seeming obscurity into a life of growing popularity on account of His preaching, miracles, healings and proclamation of mercy and forgiveness. Jesus steps into the Jordan River and into His mission of redemption through this public religious act. The descent of the dove symbolizes the anointing of the Holy Spirit, which Jesus receives as the Christ, Greek for “the Anointed One.”

## GOSPEL MEDITATION

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

*"We are called to live our baptism every day, as new creatures, clothed in Christ."*

— Pope Francis

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death,

the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what

baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.
